5.4 23/00750/FUL 5 Audon Avenue, Chilwell

The applicant wishes to draw the Committee members attention to the full set of documents submitted as part of this application such as the design statement, existing and proposed block plans and the existing and proposed front wall elevations. In particular, the applicant would like to draw attention to the proposed roof plan, as they consider that the plan shown in the Plans section of the Committee report does not show the whole roof plan.
