Focus of hearing:

The Panel may first need to consider whether the public should be excluded during part or all of the hearing of this matter under Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005.

14. Hearing to be public

- (1) Subject to paragraph (2), the hearing shall take place in public.
- (2) The licensing authority may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public.
- (3) For the purposes of paragraph (2), a party and any person assisting or representing a party may be treated as a member of the public.

Representations have been received relating to the licensing objectives as follows:

- **Prevention of crime and disorder**
- **Public safety**
- **Prevention of public nuisance**
- **Protection of children from harm**

Those making representations may wish to consider any conditions that they would like the Licensing Committee to consider attaching to the licence if they are minded to grant it.

The issues coming before the panel should be addressed as follows:

Relevance of representations.

Parking and traffic issues relate to planning matters and are not relevant representations.

The question of need is not a relevant representation.

Protection of children from harm relates to the moral, psychological and physical safety of children within the premises.

Consideration of the application

Whether upon consideration of the facts, that the grant of an application by Mr Markandu Thayalaseelan in the terms applied for will undermine the above mentioned licensing objectives.

In considering this application, the Alcohol and Entertainment Sub-Committee will have regard to:

The representations from the Interested Party (Attached)

Conditions volunteered by the applicant and/or agreed in principle with responsible authorities.

The Licensing Act 2003, and in particular:

S4 General duties of licensing authorities

- (1). A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives.
- (2). The licensing objectives are—

 - (b) public safety;
 - (c) the prevention of public nuisance; and
 - (d) the protection of children from harm.
- (3). In carrying out its licensing functions, a licensing authority must also have regard to—
 - (a) its licensing statement published under section 5, and
 - (b) any guidance issued by the Secretary of State under section 182.

S35 Determination of application under section 34

- (1) This section applies where the relevant licensing authority—

- (a) receives an application, made in accordance with section 34, to vary a premises licence, and
 - (b) is satisfied that the applicant has complied with any requirement imposed on him by virtue of subsection (5) of that section.
- (2) Subject to subsection (3) and section 36(6), the authority must grant the application.
- (3) Where relevant representations are made, the authority must—
 - (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
 - (b) having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.
- (4) The steps are—
 - (a) to modify the conditions of the licence;
 - (b) to reject the whole or part of the application;
 and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.
- (5) In this section “relevant representations” means representations which—
 - (a) are about the likely effect of the grant of the application on the promotion of the licensing objectives, and
 - (b) meet the requirements of subsection (6).
- (6) The requirements are—
 - (a) that the representations are made by an interested party or responsible authority within the period prescribed under section 17(5)(c) by virtue of section 34(5),
 - (b) that they have not been withdrawn, and
 - (c) in the case of representations made by an interested party (who is not also a responsible authority), that they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
- (7) Subsections (2) and (3) are subject to sections 19 to 21 (which require certain conditions to be included in premises licences).

The guidance issued under 182 of the Licensing Act 2003 (As updated April 2018)

The council’s “Statement of Licensing Policy” 2019 – 2024 and in particular:

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

We will ensure that challenge 25 will be on top of our priority so all four of our licensing objectives are met. Both owners of the business (husband and wife) have worked in retail for over 20 years and have the skills to implement and maintain the licensing objective in the higher standards. We also hold the alcohol personal license for over 10 years.

b) The prevention of crime and disorder

Build a good working relationship with the local PCSO and the police. We will not be serving any alcohol to any customer who are acting under the influence of alcohol. Number of customers in the shop at one time will not exceed 10 people at one time. We will have working CCTV in place with recordings kept over 30 days and made available to the Police and local council on their request.

c) Public safety

We will have fire exit marked on the doors, as well as no smoking signs on the doors and around the premises. All staff will be trained on how to evacuate the customers from the premises in case of fire. There will be wet floor signs so customers are aware and we don't put them in risk.

d) The prevention of public nuisance

The bin will be provided outside the premises for the customers to dispose their litter. We will also be having signs to advise customers to be mindful and keep the noise down when they leave the premises.

e) The protection of children from harm

We will have clear signs on the shop floor, alcohol section and by the till to let customers know we follow strict challenge 25 policy. Staff will be trained and regularly refreshed on the challenge 25 policy. Refusal log will be kept on the EPOS tills and refusal book will be kept and made available to police and council on request. Staff will only accept, photo driving license, passport and accredited pass marked proof of age cards as an acceptable form of id.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Good Afternoon,

Nottinghamshire Police has received your application for a premise licence to be granted at Jeffries Newsagents, 21 Horsendale Avenue, Nuthall, NG16 1AQ. I have read through the application and in particular the operating schedule (section 18 of the form), and as a result I would like to propose the following conditions which would be added to the licence upon its grant:

1. A CCTV system with recording equipment shall be installed and recorded on the plan appended to the licence. The system shall be installed prior to the premises carrying out licensable activities and maintained in accordance with the system.
All recordings used in conjunction with CCTV shall:
 - be of evidential quality
 - Cover the point of sale, and entrance and exit
 - indicate the time and date
 - be retained for a period of 31 days
 - Sufficient staff will be trained to use the system
 - The original images will be made available for inspection immediately upon the request of Police officers, or other authorised officers.
 - Copies of recordings shall be provided in a format which can be viewed on readily available equipment without the need for specialist software.
2. A Challenge 25 scheme shall operate at the premises. Any person who appears to be under 25 years of age shall not be allowed to purchase alcohol unless they produce an acceptable form of photo identification. (e.g. passport, driving licence, Military ID or PASS accredited card). Challenge 25 notices shall be displayed in prominent positions throughout the premises

If you agree to these conditions, please can you reply to this email stating your agreement. I will then notify the Licensing Officer at Broxtowe Borough Council to inform them of our agreement and that Nottinghamshire Police will not be objecting to your application.

Hi

We live at [REDACTED] and are in support of the above mentioned newsagents receiving alcohol selling license.

It will definitely be an improvement and will offer a service we normally have to drive to to receive.

Plus it's a small business that will get the boost it needs to stay afloat.

Thank you

Licensing Act 2003

Form of Representation by an Interested Party

Please be aware that this form may be viewed by the Applicant or by a representative of the Applicant. It may also be read out in public at the subcommittee hearing.

As well as responsible authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to applications for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographic proximity to the premises. In addition, these persons may themselves seek a review of a premises licence. Any representations made by these persons must be 'relevant', in that the representation relates to one or more of the licensing objectives. It must also not be considered by the licensing authority to be frivolous or vexatious. In the case of applications for reviews, there is an additional requirement that the grounds for the review should not be considered by the licensing authority to be repetitious.

Whilst any of these persons may act in their own right, they may also request that a representative makes the representation to the licensing authority on their behalf. A representative may include a legal representative, a friend, a Member of Parliament or a local ward or parish councillor who can all act in such a capacity.

Please indicate in which capacity you are making this representation by ticking a box below:

• A person affected by the premises	<input checked="" type="checkbox"/>
• A body representing a person affected by the premises	<input type="checkbox"/>
• A person involved in a business affected by the premises	<input type="checkbox"/>

Representations may be made at any time during a period of 28 consecutive days starting on the day after the application was given to the Licensing Authority.

In the case of a closure order issued by the Police, representations may be made during the seven days that follow relevant notice being given to the Local Authority by the Magistrates Court, starting on the day after the day the notice was received.

I feel that the representations listed are relevant to all of the four points listed in the form.

With this in mind the changes that are proposed leave the residents of this private estate in danger of a number of issues I will go into below.

Jeffries was a local, family friendly shop only normally used by residents of this estate. It has had the same owner who is known and loved locally by all shop users. However, over time and our home facing the shop seeing first hand that antisocial behaviour, drug use and people in cars loitering around who are not from this area is creeping in and it frightens residents. Robberies of the shop has risen over the last few years and whilst it is in small numbers, I can only see it getting worse if this goes ahead and eventually branching out into home break ins and problems for local residents. For example, just this week the shop was robbed of its charity book box with all the books inside by youths who were shouting and swearing creating a fearful environment, this will not improve. There is a huge lack of police presence of the estate.

I feel that the changes will increase this more with the introduction of a 'mini mart' style shop, selling alcohol and staying open late, there is a carpark for other businesses too that already some cars and people will congregate in late at night and cause stress and fear for the local residents especially the elderly, we feel as a community that this would get worse. Car parking nowhere near adequate enough to deal with the extension of this shop and the increase in trade that this will bring, our driveway is regularly blocked in by cars visiting the shop and other businesses in the same row making it impossible for us to leave our own home by car without searching for the owners of said cars. This is not acceptable and will only get worse if these proposed plans go ahead.

From that I would expect to see people coming on the estate creating noise pollution, leaving rubbish in the area, car noise and lights being left on cars into people's homes at night, noise from the music of cars and crime to go up, smells and pollution left behind and discarded alcohol before, during and after the hours of operation. This would be attracting unwanted trouble to our quiet family estate.

This leads me onto public safety, I fear for myself and other residents because of the reasons above especially those who enjoy living in a friendly warm community will not stand for any such behaviour thus becoming a target for these people and making our normal quiet home lives a thing of the past.

There is a school on the estate, and a lot of young families who's children play in the street of which my own child does and feels safe doing so. I fear that this would create an unsafe environment for young children to play. Also selling alcohol would tempt teenagers to try to buy alcohol from the shop illegally and congregate outside of the premises.

I would also propose that the look of the shop being changed into a Premier, along with the selling of alcohol and later opening hours, the issues that will come with the shop will also decrease our property value or make it increasingly difficult to sell our homes that are on the vicinity of the shop on Horsendale Avenue. I for one would not choose to purchase a property in the close proximity of a shop with the aesthetics that are proposed along with the oncoming issues that will be brought on by the selling of alcohol and the later opening times.

Subject: 21 Horsendale Avenue - Alcohol Licence

I am objecting to the proposed use of 21 Horsendale Avenue. The property and the other businesses on the row have limited parking facilities.

There has been no allocation of parking spaces for specific businesses nor should there be. The businesses on the row have amicably shared the parking spaces as we all have transient customers and as well as employees who use the parking during the day. There are also flats that rely on the parking spaces above No 23 during the evening.

The on road parking on Horsendale Avenue is a problem when the on site parking is full. There have been numerous times vehicles have not been able to negotiate parked cars on the road and causes major problems for children/families going and coming from the school (Horsendale Primary).

My other concern is anti-social behaviour associated with Alcohol and premises that provide the access to it. The potential for litter and noise pollution from increased traffic through the evening and night (Up to 10.00pm) is increased. There would also have to be some level of assurances regarding the security of the surrounding businesses and residential premises with the inflows of none resident clientele using the access to the shop for alcohol and other goods.

There are other local shops that provide access to alcohol and groceries as in the BP garage, the Mornington ex Spar shop and the local supermarkets, Aldi and Tesco/ Iceland (Nuthall Road). These are not directly amongst residential premises and have specific parking for their customers. Another shop in a 'back street' position offering the same is not really required.

I live locally on Highfield Road and do not feel we need a small supermarket type shop in the area extra to what is already available.

Please contact me if you require any further input [REDACTED]

TO WHOM IT MAY CONCERN.

I AM WRITING TO YOU TO EXPRESS MY CONCERNS OVER PLANS TO TURN THE NEWSAGENT ON HORSENDALE AVENUE INTO A PREMIER SUPER MARKET.

IF THIS SHOP HAD AN OFF LICENCE THE REPERCUSSIONS FOR THE RESIDENTS IN THE AVENUE COULD PROVE TO BE EXTREMELY DETRIMENTAL. MANY OF THE RESIDENTS LIVING ADJACENT TO THE SHOP ARE ELDERLY AND HAVE ALREADY HAD PROBLEMS WITH YOUTHS ON MOPEDS AND MOTORBIKES COMING ACROSS THE PARK FROM BROXTOWE.

IF THE SHOP WERE TO BE OPEN UNTIL 10PM IT COULD BE A MAGNET FOR TEENAGERS WITH THE ATTENDANT NOISE, ANTI SOCIAL BEHAVIOUR AND LITTER.

I ALSO HAVE CONCERNS OVER TRAFFIC AND PARKING AS HORSENDALE AVENUE IS A NARROW ROAD.

I THINK IT COULD ADD AN EXTRA BURDEN ON AN ALREADY STRETCHED POLICE SERVICE AS FEARFUL ELDERLY RESIDENTS RING WITH THERE CONCERNS.

Yours Faithfully

Subject: Jeffries Newsagent - Horsendale Avenue

Hi John,

Hope you are well

I live directly opposite Jeffrey's Newsagent (22 Horsendale Avenue).

I want to register my concerns in the change of ownership and particularly the late alcohol license.

Firstly, a bright light that's on until 10pm will shine in to our bedroom, and also the bedroom of our nursery room. Also, traffic and traffic noise until 10pm would increase with the presence of a late night shop.

The road congestion can get pretty bad after 6pm with residents vans parking on the road, I'm also worried about traffic and parking problems increasing.

I have no objection to the shop selling alcohol or rebranding....just the opening hours would definitely impact us as a family if it opened after 6/7pm advertising and selling alcohol.

Thanks for taking the time to consider this.

Kind regards
Patrick Hughes

Hi John,

My husband and I would like to confirm our support for Jeffries Newsagent application to sell alcohol.

We live right opposite the shops and are happy for it to go ahead. I feel inclined to get in touch as we have heard a comment from another member of Horsensale Avenue, trying to talk on behalf of us who live opposite, saying that would not not be welcomed.

Please consider this email as our approval in support of a small local business.

Kind Regards,

Form of Representation by an Interested Party

Please be aware that this form may be viewed by the Applicant or by a representative of the Applicant. It may also be read out in public at the sub-committee hearing.

Details of representation:

I fully support the above application for an alcohol license. I live within sight and hearing of the row of shops on Horsendale Avenue and cannot envisage any significant problems with the granting of an alcohol license.

Until 1993 there was a greengrocers with an alcohol license at neighbouring number 25 that was open into the early evening - without any significant impact on the street or residents that I can recollect.

The current shop, even if expanded, is only a small retail premises and would be unable to carry a large range of stock, it is therefore unlikely to attract any custom other than local residents seeking a last minute emergency purchase. Most residents will have pre purchased at the supermarket while doing their weekly shop, similarly it is unlikely to attract off estate traffic to the shop as most people will be seeking the larger range and cheaper pricing available elsewhere.

I cannot see why any potential significant or regular anti-social behaviour or disorder would result from the premises having a license, due to the type of area that the Horsendale Estate is. It is unlikely to attract people from off of the estate due to it's location and other premises being more accessible on the A610.

I cannot foresee any reason why there would be any significant increase in noise, smells, litter or light pollution beyond that that is always created by a small retail premises or row of shops.

The benefit of having a premises with the evening opening that the alcohol license application envisages, is that other goods and services provided by the shop become available beyond the current closing time.

Subject: Re: Application by Markandu Thayalaseeyan for Jeffries Newsagent , Horsendale

Dear Mr Miley

Our local Parish Council has brought the above application for a license to sell alcohol to my attention.

I am a local resident (the next street to the shop) and customer of Jeffries Newsagent. I have lived on the estate for 17 years and think this application is a really good idea. The current provisions on the very small parade of shops are minimal and the current shop itself sells limited products. I would really welcome a new family coming in to run the shop as I know the current owner is keen to retire. I also feel this application will allow the new owners to give the shop a much needed new lease of life which can only benefit the local residents.

I am aware that many years ago there was an off license on the same parade of shops.

I believe the 'notice' has been placed on the Facebook page in order to entice negative comments and scaremongering as this area has a history of this and therefore I felt it really important to make contact to offer positive support to this application.

Thank you
Naomi Owen

The Prevention of Crime and Disorder

Details of representation:

I wish to put on record my **support** for the above licensing application. The basis for this opposition is that granting a license for the premises will not be detrimental to the licensing objectives, particularly the prevention of crime and disorder and the prevention of public nuisance.

On the licensing objective of preventing crime and disorder

I anticipate that many will have made representation to the licensing committee in respect of a perceived fear of anti-social behaviour from teenagers purchasing and consuming alcohol in the vicinity of store. According to publicly available data (on police.uk) police reported antisocial behaviour occurrences in the period Jan-July 2020, located in the vicinity of a comparable licensed premise approximately 1 mile away (specifically Singh Convenience Store, Upminster Drive – formally Spar) were zero. Whilst fully appreciating the expertise of the licensing authority in matters concerning the correlation of crime statistics and licensed premises, I would suggest that this discredits the assertion that a licensed premise in this area would create antisocial behaviour.

Further, there were only 4 instances of antisocial behaviour on the wider Horsendale Estate in the last 3 months of available figures (May, June and July 2020), compared to 92 instances of antisocial behaviour in the wider Eastwood South police district. It is my suggestion that representation against this proposal may have been made on an unfounded fear that the area within which the licensed premise is located is 'crime ridden' and that the licensed premises would be an escalator of antisocial behaviour. I would again suggest this to be untrue.

In consideration of general unreported nuisance behaviour I would ask the licensing authority to again make comparison to the similar licensed premises (Singh Convenience Store) where I am not aware of teenagers purchasing nor consuming alcohol.

On the licensing objective of prevention of public nuisance

I anticipate that many will have made representation to the licensing committee in respect of noise and congestion associated with increased deliveries and customers. I would suggest to the licensing authority that an alcohol license does not necessarily mean additional deliveries. The sales of alcohol are likely to be at a sufficiently low volume such that stock could be replenished within existing deliveries. The assertion that customers in vehicles will come into the area, intent on purchasing alcohol is likely to be unfounded considering that they would have to drive past many alternative licensed premises. The store is in a residential area with no through routes nor passing traffic the vast majority of its customers who intend to purchase alcohol will likely walk to the store and purchase alcohol in addition to other items.

General Points

The Nuthall Neighbourhood Plan 2015-2030 (p37) states that "Retailing is very limited in the Nuthall Parish itself". I wish to make you aware that the licensing application is part of a much wider endeavor by new owners to increase the size of the retail space and the range of products sold, along with greater opening hours. This will provide a much-needed amenity to local residents. There are 3 licensed premises within the proximity, the main ones being around 1 mile away necessitating a car journey or 30-40min walk. Having a licensed premise close to the residents of the estate will further support the aim of "reducing the need to travel particularly by private car" Nuthall Neighbourhood Plan 2015-2030 (p20) and the objective of "where possible enhance the balanced, inclusive community structure in Nuthall in the provision of local jobs and other facilities" (p19).

Subject: Jeffries Newsagents Horsendale Avenue Potential sale

Hello John

I

We have recently learned that the Newspaper shop on Horsendale Avenue is to be taken over by Premier.

This is causing concern to residents as it will be selling alcohol and open until 10:00 pm

As you know this could cause all sorts of Anti Social behaviour on an estate which still has problems with youths riding on motor bikes around the estate and on the Broxtowe country park.

Another issue is the fact that the houses opposite the shop could face problems and unsociable behaviour due to alcohol.

It could devalue their properties.

Many of you councillors know where problems have been caused in the past, for example burglary attacks on people and robberies from both households and garages.

Surely the police should be looking into this matter as it will have impact on them and cause disruption..

There is no need for a newsagent to sell alcohol there are plenty of pubs and supermarkets in the local vicinity.

I look forward to your reply.

Details of representation:

I am concerned that the selling of alcohol in these premises will bring unwanted visitors/troublemakers to the residential area. The estate is already well served by local shops on Mornington Crescent and Bells Lane which are both in walking distance. The Nuthall Pub is also nearby. The population of the estate is primarily families and elderly people and I don't feel there is any need for a shop to be selling alcohol up to 10pm. I anticipate that there could be a greater number of teenagers/younger people hanging around the shop and this could lead to trouble.

Details of representation:

The premises in question is situated in a row of businesses that operate within normal working hours, between 08:00 and 18:00. Most of these businesses are open Monday to Friday, with limited opening on Saturdays and Sundays. The application in question would significantly extend the opening hours of this area and, I believe, have a negative impact on the surrounding area, that is predominantly residential and occupied primarily by older and disabled people.

A business opening for extended hours would increase traffic in the area, resulting in heightened environmental, noise and light pollution, to the detriment of those that occupy flats above these businesses, live opposite and those that live on the estate leading to the premises in question.

The Horsendale estate is a generally quiet and peaceful area with limited through traffic in the evening. However, establishing premises that sells alcohol into the night would increase both road and foot traffic from within and without the estate. This increased traffic would without doubt produce a greater degree of noise and litter.

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Sir,

I am writing to register my objection to the granting of a license to sell alcohol at Jeffrie's Newsagent, 21 Horsendale Avenue, Nuthall, Nottingham NG16 1AQ.

The Horsendale estate is a predominantly residential area, occupied primarily by older people, with several small shops at its centre that operate between normal working hours. As such, the area is generally quiet and sedate beyond these hours and maintains a welcoming and pleasant atmosphere for the community to wander around.

By enabling any shop to open during extended hours, there is the potential for the nature of the estate to detrimental change. Environmental and noise pollution are two major concerns. In addition, there is significant potential for increased antisocial behaviour, driven by alcohol, as the shop is near entrances to the Broxtowe country park that already suffers from crime and antisocial behaviour issues.

The area is already well provisioned with shops that sell alcohol, with the BP garage to the east and Spar in the Mornington estate to the west, both of which are within walking distance.

There is no need for an additional shop selling alcohol and I am concerned of the issues a new shop would bring.

Yours faithfully
Edward Standall

Dear Sir

I am emailing in objection to the granting of a license to sell alcohol at:

Jeffries Newsagent, 21 Horsendale Avenue, Nuthall, Nottingham, NG16 1AQ

I feel that is inappropriate to sell alcohol from these premises. The shop is located within a block of office and shop businesses that operate between normal working hours (8 till 6). It is within very close proximity to houses and bungalows which are mainly inhabited by the elderly and disabled. These people would be detrimentally affected by the sale of alcohol between 7am and 10 pm. Increased noise, traffic and the increase of antisocial behaviour will not only effect the quality of their life but also the value of their properties. Alcohol can be purchased from the Spar on the Mornington Estate and from the BP garage, both within walking distance of this shop. We do not need another another shop selling alcohol.

Yours faithfully
Angela Standall

Licensing Act 2003

Form of Representation by an Interested Party

Please be aware that this form may be viewed by the Applicant or by a representative of the Applicant. It may also be read out in public at the sub-committee hearing.

As well as responsible authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to applications for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographic proximity to the premises. In addition, these persons may themselves seek a review of a premises licence. Any representations made by these persons must be 'relevant', in that the representation relates to one or more of the licensing objectives. It must also not be considered by the licensing authority to be frivolous or vexatious. In the case of applications for reviews, there is an additional requirement that the grounds for the review should not be considered by the licensing authority to be repetitious.

Whilst any of these persons may act in their own right, they may also request that a representative makes the representation to the licensing authority on their behalf. A representative may include a legal representative, a friend, a Member of Parliament or a local ward or parish councillor who can all act in such a capacity.

Please indicate in which capacity you are making this representation by ticking a box below:

- A person affected by the premises ☒
- A body representing a person affected by the premises ☐
- A person involved in a business affected by the premises ☐

Representations may be made at any time during a period of 28 consecutive days starting on the day after the application was given to the Licensing Authority.

Details of representation:

In regards to the application that has been put forward for a alcohol license, in particular the extended opening times we fervently object to these changes. Having lived on the estate for over 50 years and living in close proximity of the shop we do not need or want this. We feel it will encourage gangs to hang around outside drinking and been loutish if they are open late at night. It may possibly attract people from surrounding areas which in turn could encourage anti social behaviour. We are not adverse to change however, having managed without the shop selling alcohol late at night all these years we do not need one now. We have plenty of late night supermarkets in the area where they also have security guards to deal with any potential problems.

Subject: Licence application Jefferies Newsagents

Good Afternoon

I would just like to add my support for the licence application to sell liquor at the newsagents on Horsendale Avenue, Nuthall. I understand some people's worries of it opening till 10 pm so maybe a compromise of opening would be better than a complete no to the licence, with the current situation I feel the residents of the estate would benefit from have a more convenient way to shop in walking distance than being in supermarkets and using their cars.

Kind Regards

Details of representation:

I am writing this email to you to share my objection to the application for premier shop with an alcohol license.

Horsendale is already a busy road with lots of traffic. I am new to the road and just brought a house here, I certainly wouldn't have brought a house facing a premier shop which is open to & from such time's-

I have a young family and this potentially as stated in the letter, not could but will cause more parking and additional antisocial behaviour- this road is one that already has had a number of break ins both on cars, houses and had many bikes stolen and a shop such as this with opening time's so late and selling alcohol will increase the foot flow let alone potential for that foot flow to be alcohol induced.

Our houses that face Premier will have to deal with the lights from the shop as it is open so late and be continually irritated by the noise of cars coming and going.

This area is not one that requires a shop like a premier- Jefferies holds it customer based because of the local support from all f the residents- a premier is going to bring people outside of this in and cause issues that are not necessary.

This area is community focused and residents support Jefferies because it's Jefferies- I for one nor my family will be spending a penny at Premier.

Hello,

Im emailing to inform you that we are delighted to know that a premier store is opening right near our house. And we are very pleased to know that it will be open till 10pm which makes it convenient for us to buy last minute items on day to day basis.

However we do object to having alcohol at the shop as we do believe it will cause anti social behaviour and disruption to the neighbourhood.

Hope u receive this message
From Mr Zaib.
