Focus of hearing:

The Panel may first need to consider whether the public should be excluded during part or all of the hearing of this matter under Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005.

14. Hearing to be public

(1) Subject to paragraph (2), the hearing shall take place in public.

(2) The licensing authority may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public.

(3) For the purposes of paragraph (2), a party and any person assisting or representing a party may be treated as a member of the public.

Representations have been received relating to the licensing objectives as follows:

- **Prevention of crime and disorder**
- **Prevention of public nuisance**

Those making representations may wish to consider any conditions that they would like the Licensing Committee to consider attaching to the licence if they are minded to grant it.

The issues coming before the panel should be addressed as follows:

Relevance of representations.

- Protection of children from harm relates to the moral, psychological and physical safety of children within the premises. There is nothing in the application to suggest that any such harm may occur.
- Planning matters cannot be considered. The licensing hearing cannot be a rerun of the planning hearing.
- The panel should consider what weight should be given to the representations.

Consideration of the application

Whether upon consideration of the facts, that the grant of an application by Trent Vale Community Sports Association in the terms applied for will undermine the above mentioned licensing objectives.

In considering this application, the Alcohol and Entertainment Sub-Committee will have regard to:

The content of the application

The representations from the Interested Parties

The conditions agreed with Nottinghamshire Police

The Licensing Act 2003, and in particular:

S4 General duties of licensing authorities

 - (b) public safety;
 - (c) the prevention of public nuisance; and
 - (d) the protection of children from harm.

 - (a) its licensing statement published under section 5, and
 - (b) any guidance issued by the Secretary of State under section 182.

S18 Determination of application for premises licence

- (1) This section applies where the relevant licensing authority—
 - (a) receives an application for a premises licence made in accordance with section 17, and
 - (b) is satisfied that the applicant has complied with any requirement imposed on him under subsection (5) of that section.
- (2) Subject to subsection (3), the authority must grant the licence in accordance with the application subject only to—
 - (a) such conditions as are consistent with the operating schedule accompanying the application, and
 - (b) any conditions which must under section 19, 20 or 21 be included in the licence.
- (3) Where relevant representations are made, the authority must—
 - (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
 - (b) having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers appropriate for the promotion of the licensing objectives.
- (4) The steps are—
 - (a) to grant the licence subject to—
 - (i) the conditions mentioned in subsection (2)(a) modified to such extent as the authority considers appropriate for the promotion of the licensing objectives, and
 - (ii) any condition which must under section 19, 20 or 21 be included in the licence;
 - (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
 - (c) to refuse to specify a person in the licence as the premises supervisor;
 - (d) to reject the application.
- (5) For the purposes of subsection (4)(a)(i) the conditions mentioned in subsection (2)(a) are modified if any of them is altered or omitted or any new condition is added.

 - (a) are about the likely effect of the grant of the premises licence on the promotion of the licensing objectives,
 - (b) meet the requirements of subsection (7),
 - (c) if they relate to the identity of the person named in the application as the proposed premises supervisor, meet the requirements of subsection (9), and
 - (d) are not excluded representations by virtue of section 32 (restriction on making representations following issue of provisional statement).
- (7) The requirements of this subsection are—
 - (a) that the representations were made by a responsible authority or other person] within the period prescribed under section 17(5)(c),
 - (b) that they have not been withdrawn, and
 - (c) in the case of representations made by a person who is not a responsible authority] , that they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

- (8) Where the authority determines for the purposes of subsection (7)(c) that any representations are frivolous or vexatious, it must notify the person who made them of the reasons for its determination.
- (9) The requirements of this subsection are that the representations—
 - (a) were made by a chief officer of police for a police area in which the premises are situated, and
 - (b) include a statement that, due to the exceptional circumstances of the case, he is satisfied that the designation of the person concerned as the premises supervisor under the premises licence would undermine the crime prevention objective.
- (10) In discharging its duty under subsection (2) or (3)(b), a licensing authority may grant a licence under this section subject to different conditions in respect of—
 - (a) different parts of the premises concerned;
 - (b) different licensable activities.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Ref. To: Licensing SE

Dear Sirs,

I live at [REDACTED] and am writing to raise representations about the licensing application which has been made by TRENT VALE COMMUNITY SPORTS ASSOCIATION.

We object on the strongest terms. Trent Vale is a quiet residential road whose residents are mainly retired people. A licensed premises would likely or inevitably cause public nuisance. Trent Vale Road already attracts road racers in the small hours who cause noise and disturbance. A licensed premises would likely exacerbate that problem and risk crime and greater harm through drink-driving. During the week day, two schools are situated at the end of Trent Vale Road, so any increase in traffic poses a threat to children's safety. A perverse outcome of allowing a licensed premises on Trent Vale road - where houses are located on only one side - is that its patrons are unlikely to disperse quickly and quietly at closing time, believing that the small number of residential properties limits the inconvenience of nuisance noise. Similarly, during fair weather, the pavilion terrace and surrounding area is likely to attract patrons and therefore create an even greater public nuisance to local residents.

I object to this application on the grounds of public nuisance, public safety and potential harm to children, risk of crime + disorder.

Yours faithfully,
[REDACTED]

John Miley

Yours faithfully,

We have already filed in the formal documents, but we hope that the Licensing Panel will also take note of the more expansive view as well.

Whilst considering this application from Beeston FC we hope that you will also take a little time to consider the very, very detrimental impact, if granted, that it will have on the residential community surrounding the sports venue. We all put in a lot of time and effort to stop the relocation of the Plessey Club down to Trent Vale Road. This latest application, for the same reasons of noise and antisocial behaviour, that the license would create, should not be allowed. We've had too many spurious and contradictory comments from the applicants. All of which makes it very hard to believe what they say. We remind John Miley about our conversation regarding a "soft license" and only for "a few drinks on match days". "Not a late night party venue" also comes to mind.

We were promised a meeting between the applicants and the residents, to discuss our concerns, before the application went in. We're still waiting for that!

Last summer there were several incidents of noise and antisocial behaviour from users of the venue, all involving alcohol.

(2)

1. One was a patio drinks party, going on until after 23:00, which was very noisy.
2. One was when adult players congregated on the car park area on Trent Vale Road with boxes of beer, consuming alcohol until they were asked to move on.
3. Club officials having a birthday party, where some were obviously intoxicated.

All of these incidents, and more, just demonstrate that the applicants don't have any respect or consideration for the residents, and that is all before the application had been submitted!

In all honesty this application is for a full public license which in time will blight the lives of the residents, probably devalue our properties, all because the applicants want to make easy money. Sadly, that would very much be at the expense of the residents, even though this is supposed to be an alcohol free venue. (See supporting document)

This application goes much deeper than just the four Licensing Objectives. There is abundant proof that the applicants don't demonstrate respect, consideration or much responsibility towards us, their neighbours. They should NOT therefore be granted a license to sell alcohol! It's never been needed or wanted and sustainability should be attained by other means. The visitors who want to use this lovely facility should pay for it. Don't make the people who actually live here suffer!

Beeston Rylands already has four licensed premises, all within less than half a square mile from the Trent Vale Rd venue. The Rylands is becoming a saturation zone already and doesn't need any more licensed premises. If footballers want to drink alcohol then there is already ample facilities very near by.

Licensing Act 2003

Form of Representation by an Interested Party

Please be aware that this form may be viewed by the Applicant or by a representative of the Applicant. It may also be read out in public at the sub-committee hearing.

As well as responsible authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to applications for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographic proximity to the premises. In addition, these persons may themselves seek a review of a premises licence. Any representations made by these persons must be 'relevant', in that the representation relates to one or more of the licensing objectives. It must also not be considered by the licensing authority to be frivolous or vexatious. In the case of applications for reviews, there is an additional requirement that the grounds for the review should not be considered by the licensing authority to be repetitious.

Whilst any of these persons may act in their own right, they may also request that a representative makes the representation to the licensing authority on their behalf. A representative may include a legal representative, a friend, a Member of Parliament or a local ward or parish councillor who can all act in such a capacity.

Please indicate in which capacity you are making this representation by ticking a box below:

- A person affected by the premises
- A body representing a person affected by the premises
- A person involved in a business affected by the premises
- A body representing a business affected by the premises

<input checked="" type="checkbox"/>

Representations are only relevant to an application if they relate to at least one of the four **Licensing Objectives** listed below:

- 1. The Prevention of Crime and Disorder**
- 2. Public Safety**
- 3. Prevention of Public Nuisance**
- 4. The Protection of Children from Harm**

Representations may be made at any time during a period of 28 consecutive days starting on the day after the application was given to the Licensing Authority.

In the case of a closure order issued by the Police, representations may be made during the seven days that follow relevant notice being given to the Local Authority by the Magistrates Court, starting on the day after the day the notice was received.

Please provide details of the application to which you wish to make a representation:

Name of Applicant:	TRENT VALE COMMUNITY SPORTS ASSOC.
Address of Premises:	TRENT VALE ROAD, BEESTON, NG9 1ND
Application Details:	LICENSING ACT 2003 NOTICE OF APPLICATION NEW PREMISES LICENSE.

Please give details of your representation in the box below. Indicate which of the Licensing Objectives your representation refers to by ticking the relevant boxes:

- * 1. The Prevention of Crime and Disorder
~~Public Safety~~
- * 2. Prevention of Public Nuisance
- * 3. The Protection of Children from Harm

Details of representation:

- * 1. All the residents are opposed to this license being granted because of the potential for antisocial behaviour and noise, 7 days a week, until 23.00 hrs at night. We have already had 4 incidents, last year, where no consideration or respect was shown to residents, where alcohol was consumed, and that's before they have a license!
- * 2. The number of days and hours applied for means that, no matter what the applicant says, the premises will more than likely end up as a pub. This is going to have a very, very detrimental impact on residents home lives and surely devalue our properties. The lights from the building, loud music, shouting, car headlights, car doors banging, the negatives are endless. This is exactly why we campaigned, successfully, to stop the relocation of Plessey Social Club to T.V.R.. Now this looks like the same problem, for the residents, in a different form!

Please continue on separate sheet if necessary

- * 3. This whole venue is supposed to be a grass roots sports venue for children. The original planning application quite clearly states that the venue would be "alcohol free" to "promote a healthy lifestyle culture"! Keep the kids safe and healthy. NO ALCOHOL AT TRENT VALE RFC SUPPORTING DOCUMENTS CAN BE PROVIDED.

Once the Licensing Section has received this form you will receive a written acknowledgment and you may be contacted to discuss the issue prior to any referral to a sub-committee hearing.

ADDRESS
REDACTED

The Licensing Authority
Broxtowe Borough Council
Foster Avenue
Beeston
Nottingham
NG9 1AB

Dear Sir / Madam,

I write in relation to the application for an alcohol licence made by Trent Vale Community Sports Association and to state that I object to the granting of this licence.

The residents have received a flyer about this application which begins "Dear Neighbour" and in my opinion this application, and its implications, appear far from "neighbourly". I feel most strongly that a public meeting should have been held / needs to be held in relation to this issue as I feel that the Sports Association have failed to take the feelings of residents into account and have under-estimated the depth of feeling which there is to this situation. Trent Vale Road is a quiet residential street and this money spinning venture threatens the peaceful ambience of the area which is respected and protected by all residents.

In the above mentioned flyer it is stated that "There is no intention to sell alcohol throughout these times" i.e. 12.00 to 23.00, that "the site will not be used as a pub and or open to the general public" and that "Beeston Football Club will be the main user and mainly use the bar Saturday and Sunday afternoons / evenings for players and their families". So I would like to raise two queries from this namely why are the hours so long and for seven days of the week and how are members of the "general public" to be identified and prevented access?

On looking at the Notice of Application on the Broxtowe website I find that a list of licensable activities is given and these are : Live Music 17.00 to 23.00 Thursday to Sunday, Recorded Music 17.00 to 22.30 Sunday to Thursday and 17.00 to 23.00 Friday to Saturday and sale of alcohol ON AND OFF the premises 12.00 to 23.00 Monday to Sunday. The information imparted to local residents makes no mention of these activities so what have the Sports Association actually applied for? Furthermore, if they are granted lets call it a 'general' licence, will these other activities, which are not directly related to the sale of alcohol and refreshments, then be undertaken? I refer again to the quiet nature of this road and feel most strongly that this application will adversely affect the residents and I feel that the residents have not been presented with the full facts and the complete picture.

There will be significantly more noise in the vicinity of the sports ground - people and vehicles and, in the case of the latter, not just the users of the venue but also deliveries to the pavilion. There is of course the potential for drunken, rowdy and disorderly behaviour, crime and damage to property as well as the factor of litter. These are all legitimate concerns for all of the residents.

There is also the issue of parking. There is provision on the sports field side of the road for vehicles all day and on the opposite side of the road there are limited parking hours but if and when vehicles are parked on both sides of the road access to the drives of residents is made very difficult and indeed, because whether we like it or not, people will not walk further than they have to, then it is not beyond the bounds of possibility for a vehicle to be parked across a residents driveway. These factors potentially present considerable inconvenience to residents and also raise significant public safety issues.

One further factor to mention is that I believe that the Sports Association received funding for the development of the pavilion and general facilities. I wonder whether there were any conditions attached

to the granting of this funding which may affect the validity of this application for an alcohol licence.

There are already three venues in the immediate area where alcohol can be purchased and consumed - the Boat and Horses Pub, the Jolly Anglers pub and the Marina. I am left to question why a fourth one is required.

Yours faithfully,

REDACTED

Objection to Alcohol License Application – Sports Ground at Trent Vale Road

Alcohol License may have potential to attract:

- Crime and disorder
- Anti-social behaviour
- Littering of cans and glass bottles
- Drink driving, as most visitors will not be local (not to mention the unsafe parking arrangements)

What the Sports Ground and Pavilion should be promoting:

- Health and Fitness
- Positive image within the community
- Facilities for sporting activities, leisure, exercise and physical conditioning
- Creating an environment to encourage public health, sportsmanship and tolerance.

I feel that the addition of an alcohol license to the Trent Vale Sports Ground will be of no benefit to visitors and local community. There are already ample establishments in the local area holding alcohol licenses and are perfectly fit for purpose. An addition to this has the potential to cause disruption to local businesses.

Under previous management (circa 2014) it was evident to local residents that the sports field was having a negative impact to the area. Users of the field would often bellow bad language, litter and muddy the street, urinate in public, tress pass into surrounding gardens to collect footballs (on two instances causing damage to my car). All of this was brought to the attention of Steve Barber (Broxtowe Borough Council), Nick Palmer (MP) and Anna Soubry (MP) at the time.

Since then we have witnessed a period of excellent management in which in my opinion has had very little negative impact to local community. Although the herringbone parking space arrangement may not have had safety to parking space and road users at the forefront of thought.

I feel the addition of an alcohol license will bring back the nuisances once encountered here previously with amplified effect and to extended hours. I strongly object to this application.

Local establishments holding alcohol licenses

Key:

-  Existing local venues holding alcohol licenses (open to the public)
-  Proposed alcohol license application
-  Boundary of Sports Ground

Parking space white lining layout

Simulated illustration of parking space layout for users of the sports ground. A 45° herringbone parking space would require a speed controlled access/egress lane width of 3.8m to safely use the allocated parking spaces. In this scenario we only have the public highway.

Parking layout showing limited visibility splays

25/01/2022

Page 51

As you can see from the simulated illustration, the recently marked parking spaces do not fully contain vehicles from overhanging into the public highway. Furthermore on exiting the parking spaces, vehicles have little to no sighting distance to oncoming traffic and regularly reverse blind into the line of traffic. The standard visibility splay for an new access onto 30mph road is 43m (or 25m at 20mph), these do not meet current guidelines for Nottinghamshire.

The parking spaces are not adequate for commercials / vans, this obstructs two way road traffic to pass safely and generally requires road users to give way.

The parking arrangement authorised by Broxtowe Borough has in effect provided 50+ blind access/egress points to the sports ground, a safer solution would have been parallel parking, may it be resulting in fewer spaces.

Details of representation:

When consultation took place to build the new sports field the assurance was given that there would not be applying for an alcohol license. This was stated to be because the provision claimed to be "promoting the health life style culture". The committee was happy with this and stated "the pavilion cannot be used to serve alcohol".

Had the club been honest at the start this would have been objected to at this time by the committee and local residents.

I note the application is for live music to also be played at the pavilion several nights a week. This would be horrendous for the houses around it not only due to that but also the prefab building will provide little to no sound proofing.

As residents whose gardens back onto the field we have had to make formal complaints over the apauling language shouted during matches. Our young grandchildren were subjected to the sound of players shouting the C**t word repeatedly during matches.

If the noise and disruption is not enough on the weekends the club now want to blast music out from a prefab building whilst serving alcohol. We firmly object to this plan and suggest that the club goes back to its original plan of promoting health lifestyle and maybe begin to implement positive behaviors too to tackle the foul language and urination issues that have also been reported. If players can't even use the toilets sober during training how will they be expected to when also under the influence of drink.

On the estate there are three public houses all provide entertainment. There is absolutely no reason for the sports field to become a fourth and is against the original plans for this.

Details of representation:

Now that Trent Vale Sports Pavilion have applied for a Licence to sell alcohol and also provide live music, they are trying to get local residents approval by a 'Meet and Greet' softener. (See attached)

Funny how this was never considered when the site was rejuvenated. Only a handful of residents who 'they' considered would be affected were notified, and nobody else.

A alcohol licence was never mentioned when these premises were modified last year. Infact it was made quite clear at the time, that the committee were happy for these premises not be used to serve alcohol

So why a change of heart?
I tell you why - profit.

Nobody locally will benefit from this except the owners
We don't want added noise, and we don't want more foul mouth language until the early hours. We have already seen increased noise and traffic since it was modified.

The Sports facilities were suppose to promote a healthy lifestyle culture and there were no plans to apply for a drinks licence.

How can this be a good advertisement for a healthy lifestyle culture, if it is now intending on opening bars for parties?

We are already experiencing increased parking in the area when football matches are taking place, with many inconsiderately parking on pavements. I can only imagine that this would worsen when they all stay on afterwards for drinks.

Please consider how this will affect the residents, and don't be fooled by how this will be a quiet gathering for a few people, because once their players hire this venue out, it will attract many people who are not from this area, and many people who won't care about how much noise they make if they're at a party. Once they're all

outside on that new patio, that noise will travel.

Beeston Marina is literally a 2 minute walk away from this site, if they need refreshments, why not consider going there? - or The Boat and Horses which is, at the most, a 5 minute walk away.

We really do not need another drinking venue when there are already 2 in close proximity.

Please look into the issues I have raised, and keep me up to date please.

[REDACTED]

28th February 2022.

Dear Sir / Madam,

I am writing to oppose the selling of alcohol application licence at the Trent Vale Sports Ground on Trent Vale Road. It has been made into a brilliant facility for the use of childrens, young people and adult football, and has made the area look much much better and the volunteers who have worked and continue to work hard are brilliant.

I feel very strongly about the selling of alcohol there and feel that profit could be made without the selling of alcohol.

I think the alcohol licence could bring a whole amount of grief to the committee of the Sports Ground and residents along Trent Vale Road and surrounding areas.

Nobody knows how anyone is going to act or behave when they've consumed alcohol and could have a detrimental effect for everyone. I know it can wreck lives as my husband was in an R.T.C. with someone who was over the limit with alcohol and was left with permanent brain damage and disabled. It changed ours and our grown up childrens lives forever and has been very very hard at times.

I hope that my concerns will be taken on board and that surely profit can be made other means. They could sell healthy food: smoothies, salad cobs ect.

Rent the building out for a playgroup, pop up shop ect. I know they have exercise classes for people with dementia, so they could do more of this. Enough said now.

Thankyou

Licensing Act 2003

Form of Representation by an Interested Party

Please be aware that this form may be viewed by the Applicant or by a representative of the Applicant. It may also be read out in public at the sub-committee hearing.

As well as responsible authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to applications for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographic proximity to the premises. In addition, these persons may themselves seek a review of a premises licence. Any representations made by these persons must be 'relevant', in that the representation relates to one or more of the licensing objectives. It must also not be considered by the licensing authority to be frivolous or vexatious. In the case of applications for reviews, there is an additional requirement that the grounds for the review should not be considered by the licensing authority to be repetitious.

Whilst any of these persons may act in their own right, they may also request that a representative makes the representation to the licensing authority on their behalf. A representative may include a legal representative, a friend, a Member of Parliament or a local ward or parish councillor who can all act in such a capacity.

Please indicate in which capacity you are making this representation by ticking a box below:

- A person affected by the premises
- A body representing a person affected by the premises
- A person involved in a business affected by the premises
- A body representing a business affected by the premises

Representations are only relevant to an application if they relate to at least one of the four **Licensing Objectives** listed below:

1. The Prevention of Crime and Disorder

- 2. Public Safety**
- 3. Prevention of Public Nuisance**
- 4. The Protection of Children from Harm**

Representations may be made at any time during a period of 28 consecutive days starting on the day after the application was given to the Licensing Authority.

In the case of a closure order issued by the Police, representations may be made during the seven days that follow relevant notice being given to the Local Authority by the Magistrates Court, starting on the day after the day the notice was received.

Please give details of your representation in the box below. Indicate which of the Licensing Objectives your representation refers to by ticking the relevant boxes:

- The Prevention of Crime and Disorder**
- Public Safety**
- Prevention of Public Nuisance**
- The Protection of Children from Harm**

Details of representation:

I live at **REDACTED** approximately **REDACTED** yards away from the Trent Vale Sports Association clubhouse/pavilion where the application for the proposed license has been made. I'm also currently a coach for the Beeston FC U14's team as an L1 coach and therefore associated with the club.

My representation is based on:

- The noise which the consumption of alcohol inevitably generates, either through the behavior of the consumers on the premises or the recorded/live music.
- The original planning application for the erection of the Trent Vale Sports Ground clubhouse/pavilion which did not include an intent to sell alcohol either at the time the Sports Ground was opened or in the future. On the contrary, the original planning application states that the club has no intention to sell alcohol as it would like to promote a healthy lifestyle. I understand that the representation guidance suggests 'planning' would not be taken into consideration however, had this intent been made clear on the original application and prior to Sport England providing significant funds for the building to be erected, the residents could've provided representation at the time to oppose the plans. Trent Vale Sports Association are now suggesting that in order to fund the newly built Clubhouse/Pavilion they need to sell alcohol as a source of income.
- The Trent Vale Sports Association have also held multiple events where alcohol has been sold (with or without an alcohol licence) including the Owen fundraisers in 2018 and 2019 and numerous team awards ceremonies (BBQ's) shortly after the building was erected. On all occasions the noise and parking problems were absolutely a public nuisance. As they were deemed 'one-off' events law enforcement were not contacted.

Government Information on Deregulated Entertainment

<https://www.gov.uk/guidance/entertainment-licensing-changes-under-the-live-music-act#do-i-need-a-licence-for-music-entertainment>

2. Do I need a licence for music entertainment?

Whether a licence is needed for music entertainment will depend on the circumstances. A licence is not required to stage a performance of live music, or the playing of recorded music if:

- it takes place between 8AM and 11PM; and
- it takes place at an alcohol on-licensed premises; and
- the audience is no more than 500 people

You also don't need a licence:

- to put on unamplified live music at any place between the same hours; or
- to put on amplified live music at a workplace between the same hours and provided the audience is no more than 500 people.

In other circumstances, a licence may be required. One [licence application](#) can cover all types of regulated entertainment and the sale or supply of alcohol.

There are exemptions from the need for a licence for music entertainment, in defined circumstances as set out in the [Guidance](#) , including for:

- places of public worship, village halls, church halls and other similar buildings
- schools
- hospitals
- local authority premises
- incidental music - music that is incidental to other activities that aren't classed as regulated entertainment

The [Guidance](#) also sets out the process by which a local council can review a licence where problems may occur in relation to music entertainment and noise nuisance.
