- preventing impairment of children's health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

Safeguarding Adults

People who may need safeguarding are defined under section 42 of the Care Act 2014 as adults (persons aged 18 or over) who:

- have care and support needs;
- are experiencing, or are at risk of abuse or neglect; and
- because of their care and support needs cannot protect themselves against actual or potential abuse or neglect.
