### "Safeguarding means protecting an adult's right to live in safety, free from abuse and neglect"

(Chapter 14 of the Care and Support Statutory Guidance, Department of Health and Social Care 2016 – Updated 2020)

### 1.0 INTRODUCTION

- 1.1 This policy has been produced to detail how Broxtowe Borough Council (the Council) will meet its duties and obligations with respect to adults at risk. It builds on numerous Government policies that reflect changes in the philosophy and language of adult health and social care. It is part of this Council's ethos to want to serve everyone in our community so they can live happy, healthy, safe and fulfilled lives. Our Corporate Plan and other policy documents outline how we do this in terms of service provision, improvement and community leadership.
- 1.2 Although the Council does not have primary responsibility for the role of safeguarding adults, as an organisation it does provide a range of services directly or indirectly for adults. It is through these services that our councillors, staff, contractors, partners and volunteers come into contact with adults on a regular basis. For example:

Council housing
Housing and council tax benefit
Disabled adaptations
Retirement living
Tenancy and estates
Housing maintenance
Housing options
Leisure centres and recreation grounds
Environmental health

- 1.3 The Council has a statutory duty to assist Nottinghamshire County Council in making whatever enquiries it thinks necessary to enable it to decide if and what kind of action should be taken to protect an adult at risk from suspected abuse, neglect or exploitation (including financial and sexual exploitation). Staff from the Council must work closely with officers from Nottinghamshire County Council, who will follow-up on safeguarding concerns and determine the best course of action.
- 1.4 When delivering services in people's homes or at our venues, proper systems must be in place to ensure that everyone is safe, particularly those who are less able to protect themselves. We need to be alert to signs of abuse and neglect and be prepared to raise our concerns with Nottinghamshire County Council.
- 1.5 All those who come into contact with adults at risk in their everyday work, including staff who do not have a specific role in relation to adult safeguarding, have a duty to safeguard and promote the welfare and wellbeing of those adults. It is vital that every person who has contact with adults at risk should be able to recognise when such adults are, or may be, at risk of harm and to report all incidents or concerns they may have.

1.6 The adoption of a Safeguarding Adults Policy brings with it the requirement to regulate many of our services, including specific recruitment, selection, training and vetting procedures. This policy highlights the need for ongoing training in safeguarding at all levels of the organisation so as to ensure that it is adhered to in a consistent manner.

#### 2.0 SCOPE

- 2.1 This policy covers all activities, areas and services provided by the Council and its agents, contractors or partners, and includes all Council employees, volunteers, agency workers, contractors and partners acting for and on behalf of the Council who come into contact with adults covered by the policy whilst going about their daily duties. The policy is also considered to be an appropriate reference guide for use by those councillors whose particular roles may involve them coming into contact with adults at risk.
- 2.2 This policy aims to provide a brief introduction to the law in relation to safeguarding, and offers practical guidance for best practice about safeguarding adults to all employees, partner agencies and other professionals working with the Council.
- 2.3 It highlights the main themes and issues in adult safeguarding, defines key terms, outlines some of the possible indicators of abuse, and recommends what action to take when dealing with a suspected or actual case of abuse against an adult at risk. It also includes a list of contacts of organisations which can provide help and support to both adults at risk and practitioners.
- 2.4 A detailed outline of procedures to follow when dealing with safeguarding concerns and disclosures is included at Appendix A.
- 2.5 This policy complements the Council's Safeguarding Children Policy.
- 2.6 The Council has signed up to the Nottinghamshire Safeguarding Adults Board Multi-agency Safeguarding Vulnerable Adults Guidance. This Multi-agency Guidance is published by the Board on the web pages at https://www.nottinghamshire.gov.uk/media/1728155/nottingham-and-nottinghamshire-safeguarding-adults-procedure-for-raising-a-concern-and-referring-2018.pdf
  It covers all aspects of how to respond to concerns in relation to safeguarding adults and how to protect them and can be used in conjunction with this policy document.
- 2.7 There is a link between some legislation, procedures and guidance which may means there is a need to follow more than one process at the same time. Where an adult at risk, as defined later in this document, is subject to any of the following, the safeguarding adult at risk procedures in this policy must be considered in addition to any other procedures:
  - Domestic violence and abuse
  - Modern slavery
  - Honour based abuse, forced marriage, and female genital mutilation
  - Hate crime and mate crime
  - Cuckooing
  - Anti-social behaviour
  - Unlawfully depriving someone of their liberty
  - Human trafficking
  - Extreme radicalisation

### Violent extremism

Further information and contact details are contained in Section 9.0 below.

### 3.0 POLICY AIM

To enable Broxtowe Borough Council to meet the moral and legal responsibilities necessary to safeguard and promote the welfare of adults with care and support needs in order to keep them safe from abuse or neglect.

#### 4.0 OBJECTIVES

### 4.1 To achieve its aim, Broxtowe Borough Council has set the following objectives:

- Implement and maintain systems of working practice to safeguard vulnerable adults during council activities
- To fully assist Nottinghamshire County Council and other relevant agencies in the safeguarding and promotion of the welfare of adults with care and support needs who are experiencing, or at risk of, abuse or neglect.
- To develop and implement appropriate procedures to ensure the well-being of adults in need of safeguarding to protect them from harm
- To provide employees, councillors and volunteers (working on behalf of the Council) with training, guidance and support to assist them in recognising and responding to indicators of possible abuse or neglect
- To ensure that all employees working with adults with care and support needs can identify the signs and symptoms of the ten types of neglect and abuse
- To ensure that all employees understand and follow the relevant procedures when they have concerns about adult abuse or neglect.
- To ensure that any appropriate Disclosure and Barring Service (DBS) checks are completed, as determined by the Council's Recruitment and Selection Policy, for employees that work with, or have significant access to, adults at risk of abuse or neglect.
- To facilitate the Complex Cases Panel in Broxtowe. This is a multi-agency forum which meets to share intelligence on known adults at risk and other adults who may be considered vulnerable (including medium risk victims of domestic violence and abuse), to ensure all appropriate help and support can be provided.

#### **5.0 BACKGROUND**

### 5.1 The Care Act 2014 and the Statutory Guidance

Although upper tier local authorities have been responsible for safeguarding adults for many years, there was never a clear set of laws behind it. As a result, it was often very unclear in practice who was responsible for what. The Care Act 2014 aimed to put that right by creating a legal framework so key organisations and individuals with responsibilities for adult safeguarding could agree on how they must work together and what roles they must undertake to keep adults at risk safe.

- 5.2 When the Human Rights Act 1998 came into force in 2000, the Department of Health issued statutory guidance, called *No Secrets*. This provided guidance on developing and implementing multi-agency policies and procedures to protect vulnerable adults from abuse. This led, among other things, to local authority adult social services setting up safeguarding procedures to try and protect adults from abuse and neglect, and to deal with abuse when it occurred.
- 5.3 No Secrets has now been replaced and the new law on adult safeguarding, which was introduced by the Care Act 2014 (specifically in sections 42 to 46 and Schedule 2), is explained and elaborated in chapter 14 of the Care and Support Statutory Guidance 2016 (updated June 2020), which has been issued by the Department of Health & Social Care.
- 5.4 It is interesting to note that there has been a conscious shift away from the term "vulnerable adult" which was defined in No Secrets as: "a person who is or may be in need of community care services by reason of mental or other disability, age or illness; and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation". The word "vulnerable" is not used at all in the Care Act 2014, and is predominantly applied to a situation or a witness in the Statutory Guidance.
- 5.5 The 2014 legislation defines who may need safeguarding (Section 42), and also requires upper tier local authorities to set up a Safeguarding Adults Board (Section 43) and carry out Safeguarding Adult Reviews in certain circumstances (Section 44),
- 5.6 The Act also requires that an upper tier local authority must co-operate with each of its relevant partners, and each relevant partner must co-operate with the upper tier local authority in relation to relevant functions, one of which is specifically stated as protecting adults with care and support needs who are currently experiencing or at risk of abuse or neglect. It is this part of the legislation which places the requirement on a district council to act in cases of suspected neglect or abuse.

### 5.7 Who does the law set out to protect?

People who may need safeguarding are defined under section 42 of the Care Act 2014 as adults (persons aged 18 or over) who:

- have care and support needs;
- are experiencing, or are at risk of abuse or neglect; and
- because of their care and support needs cannot protect themselves against actual or potential abuse or neglect

### 5.8 What is abuse or neglect?

The Statutory Guidance states that local authorities should not limit their view of what constitutes abuse or neglect, as they can take many forms and the circumstances of the individual case should always be considered; although the legal criteria at paragraph 5.7 above will need to be met before the issue is considered as a safeguarding concern. Exploitation, in particular, is a common theme in the following list of the types of abuse and neglect.

- Physical abuse including assault, hitting, slapping, pushing, misuse of medication, restraint or inappropriate physical sanctions.
- Domestic violence and abuse including psychological, physical, sexual, financial, emotional abuse and so called 'honour' based abuse, such as forced marriage, and female genital mutilation.
- Sexual abuse including rape, indecent exposure, sexual harassment, inappropriate looking or touching, sexual teasing or innuendo, sexual photography, subjection to pornography or witnessing sexual acts, indecent exposure and sexual assault or sexual acts to which the adult has not consented or was pressured into consenting.
- Psychological abuse including emotional abuse, threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, cyber bullying, isolation or unreasonable and unjustified withdrawal of services or supportive networks.
- Financial or material abuse including theft, fraud, cuckooing, internet scamming, coercion in relation to an adult's financial affairs or arrangements, including in connection with wills, property, inheritance or financial transactions, or the misuse or misappropriation of property, possessions or benefits.
- Modern slavery encompasses slavery, human trafficking, forced labour and domestic servitude. Traffickers and slave masters use whatever means they have at their disposal to coerce, deceive and force individuals into a life of abuse, servitude and inhumane treatment.
- Discriminatory abuse including forms of harassment, slurs or similar treatment because of race, gender and gender identity, age, disability, sexual orientation or religion.

- Organisational (Institutional) abuse including neglect and poor care practice
  within an institution or specific care setting such as a hospital or care home for
  example, or in relation to care provided in one's own home. This may range
  from one-off incidents to on-going ill-treatment. It can be through neglect or
  poor professional practice as a result of the structure, policies, processes and
  practices within an organisation.
- Neglect and acts of omission including ignoring medical, emotional or physical care needs, failure to provide access to appropriate health, care and support or educational services, the withholding of the necessities of life, such as medication, adequate nutrition and heating.
- Self-neglect This covers a wide range of behaviour around neglecting to care for one's personal hygiene, health or surroundings and includes behaviour such as hoarding.

### 5.9 Other adults who may need assistance

It is recognised that some adults may not fit the legal definition of an "adult at risk", but for whatever reason, may be in a situation where they are not coping or are in need of support from statutory and/or other agencies. It is important therefore that such individuals are identified and any appropriate action taken. Any individual who is suspected of being in this category but may not be classified "at risk" should still be reported using the procedures in this policy.

#### 6.0 ROLES AND RESPONSIBILITIES

### 6.1 Nottinghamshire Safeguarding Adults Board

The Nottinghamshire Safeguarding Adults Board (NSAB) is made up of representatives from organisations including Nottinghamshire Police, Crown Prosecution Service, National Health Service, local councils and the voluntary sector. Its main responsibility is to ensure organisations work together to help adults who may have been abused and to help prevent adults being abused.

### 6.2 Elected Members

Elected members are responsible for the monitoring and review of this policy, as well as adhering to best practice, participating in relevant training and reporting any disclosure, concern, incident or allegation to the Head of Public Protection or the Chief Communities Officer at the Council.

### 6.3 General Management Team and Heads of Service

The General Management Team, led by the Chief Executive, will lead the authority with regard to safeguarding adult responsibilities. The General Management Team in conjunction with Heads of Service, will ensure that this policy and the associated procedures are properly implemented to ensure the Council's duties and responsibilities with respect to safeguarding adults are properly discharged. In particular, Heads of Service whose areas of work are heavily involved with adults who may become "at risk" (for example, Housing Services) will ensure that appropriate extra training is provided for relevant staff, as well as developing and implementing appropriate procedures to ensure the well-being of adults in need of safeguarding to protect them from harm.

Broxtowe Borough Council's Chief Executive is currently the district councils' representative on the Nottinghamshire Safeguarding Adults Board.

### 6.4 Designated Lead Officer

The Council has a Designated Lead Officer to act as employee champion for the authority with regard to the safeguarding adults agenda and to ensure all reports of abuse or allegations against staff are dealt with promptly in accordance with this policy and the Joint Nottingham and Nottinghamshire Multi-agency Safeguarding Procedure for Raising a Concern.

The Designated Lead Officer is the Head of Public Protection. That officer is responsible for:

- Writing, reviewing, and implementing the Council's Safeguarding Adults Policy
- Reporting to General Management Team and the Chair of Community Safety Committee on the number of referrals received, training, and any changes to policy or guidance.
- Championing training with regard to safeguarding adults and the dissemination of this policy and associated guidance across the Council
- Supporting and working with the Safeguarding Coordinator
- Representing the Council on formal investigations into allegations of abuse led by Social Care Services
- Providing advice to staff on cases

### 6.5 Safeguarding Co-ordinator

The Safeguarding Co-ordinator works with the Designated Lead Officer. The Safeguarding Co-ordinator is the Chief Communities Officer and is responsible for:

- Ensuring the effective implementation of the Safeguarding Adults Policy throughout the Council
- Administration of the Complex Cases Panel
- Forwarding relevant cases to the Multi Agency Safeguarding Hub (MASH), the County Council, Complex Cases Panel, and / or other appropriate specialist agencies
- Taking appropriate action if Adult Social Care advise they will not action the referral
- Managing reporting forms and recording systems
- Working to assess and reduce risks in relation to safeguarding adults
- Raising awareness of safeguarding issues amongst staff
- Monitoring all reports to the County Council in relation to Safeguarding Adults
- Establishing and maintaining effective multi-agency working with Adult Social Care, the police, other district councils, the Nottinghamshire Safeguarding Adults Board and other relevant statutory and non-statutory agencies
- Identifying and providing for staff training needs.
- Receiving referrals from agencies and departments for the Complex Cases Panel
- Providing advice to staff on cases

### 6.6 Departmental Safeguarding Coordinators

Some divisions within the Council (for example, Housing) will have designated Departmental Safeguarding Coordinators. Their role is to liaise with the Designated Lead Officer and Safeguarding Coordinator, as well as officers within their own division, on specific cases and general issues.

### 6.7 Human Resources Manager

The Human Resources Manager is responsible for ensuring safe recruitment and employment practices are in place in accordance with the Safeguarding Adults agenda and for ensuring that appropriate checks, in accordance with national guidance, are carried out on all employees who have regular contact with adults who are likely to be subject to abuse or neglect. The Human Resources Manager is also responsible for receiving and acting on all concerns of abuse allegedly being perpetrated by staff of the Council.

### 6.8 Learning and Development Officer

The Learning and Development Officer will be responsible for working with the Safeguarding Coordinator to develop and monitor suitable training for staff and Members.

### 6.9 All Employees

All employees have a responsibility to report any concerns about adults who they are concerned may be suffering from neglect or abuse to the Safeguarding Coordinator or to their line manager. Employees of the Council are not, however, responsible for deciding on subsequent action after making a report.

All staff are responsible for participating in relevant training and in particular, will complete the e-learning package made available via the Broxtowe Learning Zone. For new members of staff this will be a compulsory part of their induction and for other officers, there will be a requirement to undertake refresher training on a three yearly basis.

### 6.10 Partner Organisations and Contractors

The Council requires that all its partner organisations and contractors who work with adults at risk have appropriate safeguarding policies and procedures in place which complement this document.

Officers responsible for negotiating and monitoring contracts are required to ensure that all contractors and partner organisations:

- have relevant policies and procedures in place
- have robust recruitment procedures in places
- train their staff appropriately
- have adequate and appropriate reporting procedures in place
- ensure safeguarding adults policy requirements are never contravened

### **6.11 Broxtowe Complex Cases Panel**

This is a multi-agency panel, facilitated by the Council, which has the following objectives:

- Ensure agencies are aware of individuals considered to be in need of support but who may not meet the threshold for intervention by a partner agency.
- Share information to increase the safety and well-being of victims of antisocial behaviour, victims of medium risk domestic violence and abuse, and other persons at risk.
- Identify all support available and ensure agencies are tasked with providing support and signposting information.
- Ensure agencies are aware of the support and activity being provided, and any other agency involvement.
- Reduce repeat victimisation.
- Improve agency accountability.
- Review cases and agree additional actions that need to be put in place by partners to protect such people from harassment and anti-social behaviour considered likely to have a disproportionately negative impact upon them.

### 7.0 ACTIONS

### 7.1 Sharing Information

The Council has signed up to share information in accordance with the Nottinghamshire Information Sharing Protocol. This is the overarching agreement which underpins information sharing between agencies in Nottinghamshire. The protocol and the Council's Information Governance Officer should be consulted where there is any concern as to whether or how to share information.

#### 7.2 Recruitment

All employers must be alert to the possibility that any person may pose a risk of harm to an adult at risk. Employers of staff or volunteers who have access to adults at risk must guard against the potential abuse, through a rigorous selection process, Disclosure and Barring Service checks, supervision, training and ongoing awareness of staff behaviour.

The Council has specific recruitment procedures in place to ensure that adults at risk are protected from potential harm. These include:

- Risk assessments of all posts
- Relevant job descriptions and person specifications being issued with an application form
- · Qualifications and details of competence being requested and checked
- References being requested and followed up
- Relevant staff undergoing an enhanced Disclosure and Barring Service check
- The Council's annual appraisal system and review procedure ensuring that posts and their responsibilities are regularly tracked

### 7.3 Training and Support

Every new member of staff at the Council is given a brief introduction to safeguarding adults and children during their induction and is required to complete e-learning courses. Further, more comprehensive safeguarding training, is available to all staff and can be organised through the Learning and Development Officer. All staff will undergo refresher training every three years.

The aim of the training is to make staff aware of:

- Their responsibility to act when concerns about an adult at risk arise
- The respective roles and responsibilities of the different professionals
- Ways to identify adults at risk
- Ways to recognise risks and situations where abuse might be occurring
- The appropriate way to accurately record facts, including concerns about abuse and neglect and actions taken as a result
- Appropriate inter-agency working

It will be the responsibility of each Head of Service to identify if any individuals or groups within their division require further training in any aspect of safeguarding adults and to arrange for this to be implemented.

#### 8.0 DEALING WITH INCIDENTS AND CONCERNS

### 8.1 Identifying an Adult at Risk

An adult at risk is a person aged 18 or over who:

- has care and support needs;
- is experiencing, or is at risk of abuse or neglect; and
- because of their care and support needs cannot protect themselves against actual or potential abuse or neglect

An adult at risk may, therefore, be an individual who:

- is elderly, with poor health, a physical disability or cognitive impairment
- has a learning disability
- has a physical disability and/or a sensory impairment
- has mental health needs including dementia or a personality disorder
- has a long-term illness/condition
- misuses substances or alcohol
- is unable to demonstrate the capacity to make a decision as defined by the Mental Capacity Act 2005 and is in need of care and support

### 8.2 Identifying Abuse and Neglect

Signs of abuse can often be difficult to detect. People with communication difficulties can be particularly at risk because they may not be able to alert others. Sometimes people may not even be aware that they are being abused, and this is especially likely if they have a cognitive impairment. Abusers may try to prevent access to the person they abuse. It is vital that staff who come into contact with people with care and support needs are able to identify abuse and recognise possible indicators.

People may be subjected to a number of different types of abuse, including physical, financial, sexual, psychological, discriminatory, institutional, professional, or acts of neglect. The list of possible indicators and examples of behaviour can be found in Appendix G but the list is not exhaustive. Staff must keep in mind that instances of anti-social behaviour, harassment, bullying and hate crime may feed into safeguarding concerns. Recording instances of the latter in full and dealing with them adequately when they arise will help to prevent cases and safeguarding concerns developing.

### 8.3 Specific procedures

The procedures for dealing with safeguarding incidents and concerns are listed in Appendix A of this policy.

Allegations made by others, even where anonymous, must always be taken seriously and must not be assumed to be malicious in the first instance. Officers informed of a concern by a member of the public, employee, or colleague, must act in accordance with this policy.

It is not the responsibility of employees to decide whether or not abuse has taken place. They have a duty to report concerns and must not assume someone else has. It is an employee's responsibility to act on any disclosures, suspicions, or allegations as follows:

- All employees are responsible for discussing any disclosure, suspicions or allegations immediately with their line manager or directly with the Safeguarding Coordinator.
- Line managers are responsible for referring the disclosure, suspicions, or allegations to the Safeguarding Coordinator.
- The Designated Lead Officer or the Safeguarding Coordinator will then make a decision on the most appropriate referral pathway.
- In the absence of the Designated Lead Officer or the Safeguarding Coordinator, the Line Manager is responsible for making the referral to the County Council by telephoning 0300 500 80 80. The Line Manager will then send the report to, and discuss the situation with, the Designated Lead Officer or the Safeguarding Coordinator as soon as possible
- In cases involving the Council's housing stock, the referrals should be discussed with the Retirement Living Manager or the Housing Operations Manager in the first instance.
- The Safeguarding Coordinator is responsible for logging all referrals
- The only exception to this process is the Housing Department. The Housing Operations Manager has received enhanced training and can make referrals directly. The Housing Operations Manager will follow the same process as set out in the appendices and ensure that the Safeguarding Coordinator is informed of any referrals and kept up to date.
- A brief guide for staff (Safeguarding Adults Staff Guide) is available on the intranet under Corporate Documents / Safeguarding

#### 9.0 OTHER RELEVANT ISSUES

### 9.1 Domestic violence and abuse

The Government definition of domestic violence and abuse is: "any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality." The abuse can encompass, but is not limited to:

- psychological
- physical
- sexual
- financial
- emotional

Controlling behaviour is: a range of acts designed to make a person subordinate and/or dependent by isolating them from sources of support, exploiting their resources and capacities for personal gain, depriving them of the means needed for independence, resistance and escape and regulating their everyday behaviour. Coercive behaviour is: an act or a pattern of acts of assault, threats, humiliation and intimidation or other abuse that is used to harm, punish, or frighten their victim.

The Government definition, which is not a legal definition, includes so called 'honour' based violence, female genital mutilation (FGM) and forced marriage, and is clear that victims are not confined to one gender or ethnic group.

The Council is committed to highlighting the issues of domestic abuse and working to reduce it and the problems it causes. To that end, the Council has signed up to the White Ribbon Campaign to help reduce male violence against women.

Domestic violence and abuse can be reported to Nottinghamshire Police on 101 (or 999 in an emergency). Further information and help is available from the following:

- Freephone Nottinghamshire 24 Hour Domestic and Sexual Abuse Helpline run by Juno Women's Aid - Tel: 0808 800 0340
- Broxtowe Women's Project Tel: 01773 719111
- Midlands Women's Aid Tel: 0774 8535 203
- Equation (guidance and support, including for men) Tel: 0808 802 4040

### 9.2 Modern slavery

Modern slavery encompasses slavery, servitude, forced and compulsory labour and human trafficking. Traffickers and slave drivers coerce, deceive and force individuals against their will into a life of abuse, servitude and inhumane treatment. A large number of active organised crime groups are involved in modern slavery. But it is also committed by individual opportunistic perpetrators.

The scale of modern slavery in the UK is significant. Modern slavery crimes are being committed across the country and there have been year on year increases in the number of victims identified.

Concerns about modern slavery can be reported using the form at <a href="https://www.gov.uk/government/collections/modern-slavery">https://www.gov.uk/government/collections/modern-slavery</a> Alternatively, the Modern Slavery Helpline can be contacted on 0800 0121 700.

### 9.3 Honour based abuse and forced marriage

There is no specific offence of "honour based crime". It is an umbrella term to encompass various offences covered by existing legislation. Honour based abuse can be described as a collection of practices which are used to control behaviour within families or other social groups to protect perceived cultural and religious beliefs and/or honour. Such abuse can occur when perpetrators perceive that a relative has shamed the family and/or community by breaking their honour code.

Honour based crime may not always involve violence but includes psychological abuse, written or verbal threats, abusive phone calls, emails and messages. Crimes committed in the name of honour may include assaults, disfigurement, sexual assault and rape, forced marriage, dowry abuse, female genital mutilation, kidnap, false imprisonment and stalking. In the most extreme cases, people are killed because their actions are thought to be dishonourable.

It is a violation of human rights and may be a form of domestic and/or sexual violence. There can never be any honour or justification for abusing the human rights of others.

A forced marriage is a marriage conducted without the valid consent of one or both parties and where duress is a factor. Forced marriage is now a specific offence under s121 of the Anti-social Behaviour, Crime and Policing Act 2014. However, a clear distinction must be made between a forced marriage and an arranged marriage. In arranged marriages, the families of both spouses take a leading role in arranging the marriage but the choice whether or not to accept the arrangement remains with the intended spouses. In forced marriages, one or both spouses do not consent to the marriage and some element of duress is involved. Duress includes both physical and emotional pressure.

Any concerns about honour based abuse and / or forced marriage should be reported to the Police on 101 if it is not considered an emergency. In cases of emergency, ring 999.

#### 9.4 Hate crime and mate crime

A hate crime is 'any criminal offence which is perceived, by the victim or any other person, to be motivated by a hostility or prejudice based on a person's difference or perceived difference'.

A hate incident is 'any non-crime incident which is perceived, by the victim or any other person, to be motivated by a hostility or prejudice based on a person's difference or perceived difference'.

Hate incidents can feel like crimes (although no crime has been committed) to those experiencing them. For example, a launderette refuses to let a member of the gypsy or travelling community use their facilities.

"Mate crime" is the relatively new term used for the phenomenon where vulnerable people (e.g. elderly people or those with learning disabilities) are befriended and then taken advantage of. Mate crime is not a nationally monitored category but is most likely to be included under disability hate crime.

Nottinghamshire Police define hate crime as "any incident (which may or may not constitute a criminal offence) which is perceived by the victim or any other person as being motivated by prejudice or hate." As such, all hate crime and hate incidents reported to the police in Nottinghamshire are given a crime number but are categorised separately.

Broxtowe Borough Council has a specific Hate Crime Policy

Any incident of hate crime should be reported to the Police on 101 (or 999 if an emergency). An online reporting facility called "True Vision" is available at <a href="http://www.report-it.org.uk/your\_police\_force">http://www.report-it.org.uk/your\_police\_force</a> This allows for the reporting of hate crimes online.

#### 9.5 Anti-social behaviour

Anti-social behaviour is defined in the Anti-social Behaviour Crime and Policing Act 2014 as "conduct that has caused, or is likely to cause, harassment, alarm or distress to any person".

Examples of anti-social behaviour include:

- Nuisance, rowdy or inconsiderate neighbours
- · Vandalism, graffiti and fly-posting
- Street drinking
- Environmental damage including littering, dumping of rubbish and abandonment of cars
- Prostitution related activity
- Begging and vagrancy
- Fireworks misuse

The Council has its own separate Anti-social Behaviour Policy.

Concerns about anti-social behaviour should be referred to the Police on 101. If the situation is considered an emergency, ring 999.

### 9.6 Unlawfully depriving someone of their liberty

The Deprivation of Liberty Safeguards (DoLS) are part of the Mental Capacity Act 2005. They aim to make sure that people in care homes, hospitals and supported living are looked after in a way that does not inappropriately restrict their freedom. The safeguards should ensure that a care home, hospital or supported living arrangement only deprives someone of their liberty in a safe and correct way, and that this is only done when it is in the best interests of the person and there is no other way to look after them.

Any concerns in respect of potential deprivation of liberty should be reported to Nottinghamshire's Deprivation of Liberty Standards Team on 0300 500 80 80 80.

### 9.7 Human trafficking

Trafficking involves the transportation of persons in the UK in order to exploit them by the use of force, violence, deception, intimidation, coercion or abuse of their vulnerability. The Council recognises that local authorities have specific responsibilities under the Council of Europe's 2006 'Declaration on the Fight Against Trafficking of Human Beings' to which the UK is a signatory. While trafficking mainly involves adults, children can be involved. Staff should discuss concerns they may have with the Designated Lead Officer. Also, the United Kingdom Human Trafficking Centre (UKHTC), now part of the National Crime Agency, is a national organisation that can provide advice. http://www.nationalcrimeagency.gov.uk/

#### 9.8 Violent extremism

The United Kingdom's strategy for countering terrorism is known as CONTEST.

The strategy involves many organisations and people working together across the UK and the world to protect the public.

The CONTEST Strategy has four key elements:

- Pursue to stop terrorist attacks
- Prevent to stop people becoming terrorists or supporting terrorism
- Protect to strengthen our protection against terrorist attack
- Prepare where an attack cannot be stopped, to lessen its impact

The aim of Prevent is to stop people becoming or supporting terrorists or violent extremists, as well as supporting vulnerable members of our communities by helping to turn them away from violent extremism. Prevent in Broxtowe is delivered in partnership with Nottinghamshire Police and a wide range of organisations. Together, these organisations recognise that the best long term solution to preventing terrorism is to stop people becoming terrorists in the first place. We will aim is to support local communities and institutions to challenge and reject the message of extremism.

As the UK faces a continuing threat from both international and domestic terrorism, no one is better placed than members of the public to notice extremist activity within their own community.

Violent extremist activity can be recognised in a variety of forms and just a few of them include:

- Giving out leaflets, displaying posters or distributing messages through social media that carry a violent extremist message
- Looking at violent extremist forums or websites, perhaps in internet cafes
- Extremist groups meeting in private or community centres
- Watching terrorist or violent extremist promotional videos.

If violent extremism is seen or suspected, it should be reported by phoning the confidential Anti-Terrorist Hotline on 0800 789 321 or email:

Prevent@nottinghamshire.pnn.police.uk

For immediate threats, such as a suspicious package or vehicle **always call 999.** 

### ACTIONS TO TAKE WHERE POTENTIAL ABUSE OR NEGLECT IS DISCLOSED OR SUSPECTED

### All relevant forms are available on the intranet at Document Index / Safeguarding

### 1. Action by members of the public

Any member of the public who contacts Broxtowe Borough Council with concerns should be advised that they must call Nottinghamshire County Council on **0300 500 80 80** as soon as possible to discuss those concerns. They can be reported anonymously.

However, if their concerns relate to a case of hoarding, details should be recorded and passed on in accordance with Item 6 in this Appendix.

### 2. Action by staff in cases of emergency

When you are first made aware of, or witness, a concern of abuse or neglect, your initial response must always be to the immediate health, safety and welfare of the adult at risk and anyone else at risk. Remember, this may include the alleged perpetrator.

In an emergency, you should contact the relevant emergency services (police, ambulance, and fire and rescue service) by dialling **999.** 

Wherever possible, establish with the adult at risk the action they wish you to take. Do not question the alleged victim any more than you need to in order to clarify what possible abuse has taken place.

Once the emergency services have been contacted, ensure that you inform the Council's Safeguarding Coordinator or the Designated Lead Officer giving full details using the form at Appendix C as soon as possible.

All cases will be logged on a secure database by the Safeguarding Coordinator, along with details of relevant referrals and outcomes

### 3. Action by staff in cases of non-emergency where there is no direct involvement

It should be noted that in some circumstances, staff will have concerns about an adult but will not be in a position to speak with them. In these circumstances, the member of staff should carry out the following procedure:

Record all relevant details including

- Reason for concern
- Date, time and place of the incident or reason for concern
- Name and address of person
- Appearance and behaviour of the adult at risk
- Any injuries observed
- Any other relevant information

The matter should be discussed with a Line Manager or the Safeguarding Coordinator who will complete the form at Appendix C. If the Line Manager has completed the form, they will then e-mail the form to the Council's Safeguarding Coordinator <a href="mailto:spc@broxtowe.gov.uk">spc@broxtowe.gov.uk</a> The Safeguarding Coordinator will assess the situation and decide on the most appropriate course of action. This may be one or more of the following, however the list is not exhaustive:

- Make a referral to the Multi Agency Safeguarding Hub
- Make a referral to Nottinghamshire County Council
- Make a referral to another agency
- Make a referral to Broxtowe's Complex Cases Panel
- Request additional information to make a decision
- Take no action where there is insufficient information or grounds to take action

All cases will be logged on a secure database by the Safeguarding Coordinator, along with details of relevant referrals and outcomes

## 4. Action by staff in cases where they become aware of potential abuse or neglect and are in a position to work with the adult at risk <u>OR</u> an adult discloses information

If the case is not an emergency, check with the adult at risk whether other agencies are aware of them. Clarify the situation, but do not conduct an investigation; Adult Social Care are responsible for this.

Provide the adult at risk with information about the safeguarding process and how it could help to make them safer.

Obtain the views of the adult at risk about what has happened and what they want done about it.

Do not make any promises in respect of actions which may be taken.

Do not promise confidentiality – in some cases, as outlined below, other agencies will need to be informed about the situation, even if you have not been able to obtain the adult at risk's consent to do so.

If the adult at risk refuses to consent to the information being shared, this can be over-ridden if:

- the case is very high risk
- there is coercion involved
- there are other individuals at risk (including other adults at risk or children)
- the alleged abuser is an adult at risk
- the victim appears to lack the mental capacity to act. If the adult at risk does not have the capacity to make decisions for themselves, any actions taken or decisions made on their behalf must be made in their best interests
- a serious crime has been committed
- staff are implicated (in which case the information will only be shared with the Human Resources Team).

Explain that you have a duty to tell your manager or other designated person, and that their concerns may be shared with others who could have a part to play in safeguarding them;

Reassure them that they will be involved in decisions about what will happen; Explain that you will try to take steps to protect them from further abuse or neglect;

If they have specific communication needs, provide support and information in a way that is most appropriate to them;

Do not be judgemental or jump to conclusions;

Do not discuss the concern with the person alleged to have caused harm or anyone else, unless the immediate welfare of the adult at risk makes this unavoidable (or you are Whistleblowing – see 5 below).

Make an accurate record at the time, or immediately after, including:

- Name, address, date of birth (if known), gender.
- Details of person's General Practitioner (if known)
- Date, time and place of the incident
- Exactly what the adult at risk said, using their own words (their account) about the abuse and how it occurred or exactly what has been reported to you
- Appearance and behaviour of the adult at risk
- Any injuries observed
- Name and signature of the person making the record
- If you witnessed the incident, write down exactly what you saw.

It is vital that a written record of any incident or allegation of crime is made as soon as possible after the information is obtained, and made available to the referrer. Written records must reflect, as accurately as possible, what was said and done by the people initially involved in the incident either as a victim, alleged perpetrator or potential witness. The notes must be kept safe as it may be necessary to make records available as evidence and to disclose them to a court.

If the person is <u>not</u> living in in a property owned by Broxtowe Borough Council, the officer should complete an Adults at Risk Referral Form (Appendix C). The completed form and any other supporting information should then be e-mailed, with a heading "Safeguarding Adults Referral", to the Safeguarding Coordinator at <a href="mailto:spc@broxtowe.gov.uk">spc@broxtowe.gov.uk</a> who will review the information and decide on the most appropriate course of action. This may be one or more of the following, however the list is not exhaustive:

- Make a referral to the Multi Agency Safeguarding Hub
- Make a referral to Nottinghamshire County Council Social Services
- Make a referral to another agency
- Make a referral to Broxtowe's Complex Cases Panel.
- Request additional information
- Take no action where there is insufficient information or grounds to take action

If the person is living in a property owned by Broxtowe Borough Council, the officer should complete an Adults at Risk Referral Form (Appendix C) and forward this to the Retirement Living Manager at <a href="mailto:hlc@broxtowe.gov.uk">hlc@broxtowe.gov.uk</a> who will

decide on and take the most appropriate course of action. This may be one or more of the following, however the list is not exhaustive:

- Make a referral to the Multi Agency Safeguarding Hub
- Make a referral to Nottinghamshire County Council Social Services
- Make a referral to another agency
- Make a referral to Broxtowe's Complex Cases Panel

The Retirement Living Manager will then ensure the details are passed to the Safeguarding Coordinator who will log all cases on a secure database.

If staff are unsure about how to handle the case, they should contact the Chief Communities Officer, who is the Council's Safeguarding Coordinator, on Ext 3492. Alternatively, they can contact the Head of Public Protection, who is the Council's Safeguarding Designated Lead Officer, on Ext 3504. If children are involved, or located at the scene of suspected abuse, the matter should be reported directly to the Multi Agency Safeguarding Hub (MASH) or either of the two officers above.

### **5 Allegations Against Staff**

Adults at risk are particularly vulnerable to the actions of employees who wilfully or otherwise disregard legislative guidance or regulations, local Safeguarding Board decisions or Borough Council guidance and policy. Every individual has a responsibility for raising concerns about unacceptable practice or behaviour, including when a colleague is the source of concern. If this is the case, the procedure in the Council's Whistleblowing Policy should be followed. Further advice can be obtained from the Council's Human Resources Manager on Ext 3552.

Staff should voice their concerns, suspicions or uneasiness as soon as they feel they can. The earlier a concern is expressed, the easier and sooner action can be taken.

### 6 Cases of hoarding

Cases of hoarding should be referred by e-mail to the Senior Private Sector Housing Officer at <a href="health@broxtowe.gov.uk">health@broxtowe.gov.uk</a> if the adult is a private tenant or an owner occupier, or to the Housing Operations Manager at <a href="hlc@broxtowe.gov.uk">hlc@broxtowe.gov.uk</a> if the adult is a council tenant. These officers will take appropriate action under the agreed Hoarding Protocol, as well as advising the Council's Safeguarding Coordinator.

### 7 Referrals straight to the Complex Cases Panel

Some staff will be more familiar with details of procedures than others and be fully aware of when a referral should go straight to the Complex Cases Panel as it is not a safeguarding issue. In such cases, the Complex Cases Panel referral form (Appendix D) should be completed and forwarded to the Retirement Living Manager or Tenancy and Estates Manager in Housing if it involves a Broxtowe Borough Council owned property and to the Chief Communities Officer in other cases.

### **CONSENT TO SHARE WITH PARTNER AGENCIES**

Any information disclosed and recorded within the context of this contact will be held in accordance with the Data Protection Act 1998.

This consent is to share with partner agencies for the purpose of keeping you and other people safe, supporting victims of crime, protecting your well-being, taking action against perpetrators and preventing further victimisation and offending.

Where there is a legal safeguarding duty towards children and vulnerable adults, appropriate referrals will be made regardless of consent.

The types of organisations that we will share information with are victims' services, relevant specialist crime services and support groups (e.g. hate crime support), local authorities, housing providers, social care providers, health services (including mental health services), criminal justice agencies including the Police and Prison services, restorative justice services, domestic abuse services, statutory public bodies such as the Fire Service, anti-social behaviour and community protection services and education providers (this is not an exhaustive list).

Consent from the person believed to be at risk or their parent/guardian should always be sought and recorded.

Consent can be withdrawn at any time and the process for doing so.
