Dear Mark

Broxtowe Borough Council – audit for year ended 31 March 2020

This representation letter is provided in connection with your audit of the financial statements of Broxtowe Borough Council (and Group) for the year ended 31 March 2020 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 (the Code) and applicable law.

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the financial statements and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code and applicable law.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Council (and Group) you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Deputy Chief Executive and S151 Officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Council and committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with Code and International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Council (and Group's) financial position, financial performance and cash flows.

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used by the Council (and Group) in making accounting estimates, including those measured at current or fair value, are reasonable.

I confirm that I am satisfied that the actuarial assumptions underlying the valuation of pension scheme liabilities for IAS19 disclosures are consistent with my knowledge. I confirm that all settlements and curtailments have been identified and properly accounted for. I confirm that all significant retirement benefits have been identified and properly accounted for (including any arrangements that are statutory, contractual or implicit in the employer's actions, that arise in the UK or overseas, that are funded or unfunded).

Material Valuation Uncertainty

The outbreak of COVID-19, has impacted global financial markets and as such identified that less weight can be attached to the previous market evidence for comparison purposes and to inform opinions of value. The current response to COVID-19 has resulted in an unprecedented set of circumstances on which to base judgement, resulting in the valuations recognised within the Statement of Accounts being reported on the basis of 'material valuation uncertainty' as per VPS 3 and VPGA 10 of the RICS Red Book Global. Given the unknown future impact that COVID-19 might have on the real estate market. I am satisfied that sufficient and appropriate disclosures have been made in the Statement of Accounts to reflect the impact of 'material valuation uncertainty' on the Council's assets.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and

- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains not already disclosed.

All material matters, including unasserted claims, that may result in litigation against the Council (and the Group) have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code and applicable law.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom. We have complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as Deputy Chief Executive and S151 Officer for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements of the Council (and the Group) may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the entity involving:
 - management and those charged with governance;
 - employees who have significant roles in internal control; and
 - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Council's (or the Group's) financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code and applicable law.

I have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment and intangible assets below their carrying value at the statement of financial position date. In particular, I have considered the impact of Covid-19 on our Investment Properties. An impairment review is therefore not considered necessary.

Charges on assets

All the Council's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Brexit

We confirm that we have carried out an assessment of the potential impact of the United Kingdom leaving the European Union, including the potential outcomes at the end of the Implementation Period, and that the disclosure in the Statement of Accounts fairly reflects that assessment.

Going concern

To the best of my knowledge there is nothing to indicate that the Council will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

I have updated our going concern assessment in light of the Covid-19 pandemic. I continue to believe that the Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that current and future sources of funding or support will be more than adequate for the Council's needs. We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements

Annual Governance Statement

I am satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and I confirm that I am not aware of any significant risks that are not disclosed within the AGS

Narrative report

The disclosures within the Narrative Report fairly reflect my understanding of the Council's financial and operating performance over the period covered by the financial statements

Unadjusted misstatements

I confirm that the effects of the uncorrected misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to this letter as an Appendix.

Ultimate parent company

I confirm that the ultimate parent company for Broxtowe Borough Council is the Ministry of Housing, Communities and Local Government.

Yours faithfully,

Deputy Chief Executive and Section 151 Officer

Appendix to the Authority Representation Letter of Broxtowe Borough Council

Definitions

Financial Statements

A complete set of financial statements comprises:

- A Comprehensive Income and Expenditure Statement for the period;
- A Balance Sheet as at the end of the period;
- A Movement in Reserves Statement for the period;
- A Cash Flow Statement for the period; and
- Notes, comprising a summary of significant accounting policies and other explanatory information and the Expenditure and Funding Analysis.

A local authority is required to present group accounts in addition to its single entity accounts where required by chapter nine of the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.

A housing authority must present:

- a HRA Income and Expenditure Statement; and
- a Movement on the Housing Revenue Account Statement.

A billing authority must present a Collection Fund Statement for the period showing amounts required by statute to be debited and credited to the Collection Fund.

A pension fund administering authority must prepare Pension Fund accounts in accordance with Chapter 6.5 of the Code of Practice.

An entity may use titles for the statements other than those used in IAS 1. For example, an entity may use the title 'statement of comprehensive income' instead of 'statement of profit or loss and other comprehensive income'.

Material Matters

Certain representations in this letter are described as being limited to matters that are material.

IAS 1.7 and IAS 8.5 state that:

“Material omissions or misstatements of items are material if they could, individually or collectively, influence the economic decisions that users make on the basis of the financial statements. Materiality depends on the size and nature of the omission or misstatement judged in the surrounding circumstances. The size or nature of the item, or a combination of both, could be the determining factor.”

Fraud

Fraudulent financial reporting involves intentional misstatements including omissions of amounts or disclosures in financial statements to deceive financial statement users.

Misappropriation of assets involves the theft of an entity's assets. It is often accompanied by false or misleading records or documents in order to conceal the fact that the assets are missing or have been pledged without proper authorisation.

Error

An error is an unintentional misstatement in financial statements, including the omission of an amount or a disclosure.

Prior period errors are omissions from, and misstatements in, the entity's financial statements for one or more prior periods arising from a failure to use, or misuse of, reliable information that:

- a) was available when financial statements for those periods were authorised for issue; and
- b) could reasonably be expected to have been obtained and taken into account in the preparation and presentation of those financial statements.

Such errors include the effects of mathematical mistakes, mistakes in applying accounting policies, oversights or misinterpretations of facts, and fraud.

Management

For the purposes of this letter, references to "management" should be read as "management and, where appropriate, those charged with governance".

Related Party and Related Party Transaction

Related party:

A related party is a person or entity that is related to the entity that is preparing its financial statements (referred to in IAS 24 *Related Party Disclosures* as the "reporting entity").

- a) A person or a close member of that person's family is related to a reporting entity if that person:
 - i. has control or joint control over the reporting entity;
 - ii. has significant influence over the reporting entity; or
 - iii. is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.
- b) An entity is related to a reporting entity if any of the following conditions applies:
 - i. The entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - ii. One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).

- iii. Both entities are joint ventures of the same third party.
- iv. One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- v. The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity.
- vi. The entity is controlled, or jointly controlled by a person identified in (a).
- vii. A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
- viii. The entity or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

Key management personnel in a local authority context are all chief officers (or equivalent), elected members, the chief executive of the authority and other persons having the authority and responsibility for planning, directing and controlling the activities of the authority, including the oversight of these activities.

A reporting entity is exempt from the disclosure requirements of IAS 24.18 in relation to related party transactions and outstanding balances, including commitments, with:

- a) a government that has control, joint control or significant influence over the reporting entity; and
- b) another entity that is a related party because the same government has control, joint control or significant influence over both the reporting entity and the other entity.

Related party transaction:

A transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.
