

COVID-19 Weekly Deaths Report for Broxtowe

This report shows the weekly number of registered deaths from COVID-19 for Broxtowe and All English district local authorities (by date of registration, not date of occurrence):

- These figures are published by the Office for National Statistics (ONS) as part of the [Deaths registered weekly in England and Wales](#) publication.
- These figures are released every Tuesday at 9:30am and relate to the week ended 11 days prior, that is, on the Friday two weeks before.
- The ONS weekly deaths figures include all deaths where the registration mentions COVID-19, regardless of location of death or whether the person who died was tested for COVID-19 in a laboratory test.

[For more information on the different uses of figures on deaths from COVID-19](#), please see the guidance published by the ONS and available
