

Report of the Portfolio holder for Housing**HOUSING DELIVERY PLAN**

1. Purpose of Report
2. An audit of the Housing Delivery Plan was undertaken in 2021. The audit concluded that the Housing Delivery Plan should be refreshed and updated to fully reflect the current aspirations and potential of the project and that an updated report would be presented to members of approval. This report is a precursor to this and aims to inform members about the delivery outcomes of the Housing Delivery Plan. It recommends that an updated Housing Delivery Plan be brought to cabinet for approval in 2023.

3. Recommendation

Cabinet is asked to NOTE the contents of this report and RESOLVE that,

- 1) An updated housing delivery plan be prepared and brought to cabinet for approval in 2023,**
- 2) £30,000 from the 2023/24 HRA capital programme be allocated to assess the feasibility options for 3 sites owned by the Council (see Appendix 2),**

4. Detail

The housing delivery plan was approved in 2019. It aimed to;

- 1) Deliver a minimum of 230 homes over 10 years for the Housing Revenue Account (HRA),
- 2) Develop 9 Council owned sites as part of the first phase 1 of the Housing Delivery Plan,
- 3) Fund a programme of property acquisition for the HRA concentrating on former right to buy properties,

The delivery plan was to be in 3 phases based on the use of a combination of the following delivery mechanisms:

- 1) Acquisition of existing properties,
- 2) Remodelling of existing under-used accommodation,
- 3) Partnership work with local registered providers,
- 4) New build development,

Appendix 1 summarises the achievements of the Housing Delivery Plan to date.

It is proposed that officers undertake a review of the Housing Delivery Plan in early 2023 and that in particular the review considers the following areas (see appendix 2 for more detail);

- 1) HRA Asset sites and existing housing stock for housing redevelopment,
- 2) General fund sites for housing redevelopment,
- 3) Acquiring affordable housing on section 106 sited from house builders,
- 4) Buying land on the open market for housing development,

- 5) Purchasing former right to buy properties/non RTB properties,
- 6) Acquiring/building larger and adapted properties,
- 7) The financial capacity for future new homes funded by the HRA,
- 8) Energy standards and non-traditional building standards for the new build homes,
