**5.1 22/00346/REM Land West of Awworth inc Land at Whitehouse Farm Shilo Way**

Further comments have been received from the Nottinghamshire County Council Highways Officer in respect of the updated Construction Management Plan (CMP) submitted by the applicant. The CMP and comments are in relation to condition 7 of the already approved Outline Planning Permission for the site and they do not form part of the current Reserved Matters application being considered by the planning committee. It is outside of this planning committee's powers to revisit the conditions attached to the outline planning permission or to allow this to form part of the consideration of the current application before the committee.

A 7 day re-consultation with local residents was carried out following receipt of amended plans, a further six letters of objection were received reiterating concerns highlighted in the report.

description was also changed to “Creation of public car park with 44 parking spaces and cycle lockers”.

This will be an improvement on the original scheme in terms of impacts, and as such it is considered that no further consultation is required. Draft condition 5 will require minor re-wording to require details of cycle lockers rather than cycle stands as part of the landscape plan.
