2. What outcomes do you want to achieve from the policy or function?

The policy is intended to define how applications are made and dealt with under the relevant legislation. It also sets out matters that applicants must consider when making such applications and gives clear guidance on matters to be considered by the licensing authority when determining the applications. It will also assist in supporting the Council's objectives as set out in the Equality and Diversity Policy

The policy will integrate with other initiatives that will:

- Reduce crime and disorder
- Encourage tourism, creating a vibrant licensed economy
- Reduce alcohol misuse
- Ensure the safety of children and vulnerable adults in the licensed economy
- Ensure a fair and consistent approach to the consideration of applications and management of those premises granted a licence.

3. Who is intended to benefit from the policy or function?

Applicants, Responsible Authorities, other stakeholders, the public and the licensing authority will benefit from the policy. In particular, Councillors, ensuring that as decision makers and representatives of their residents, they understand the considerations required.

Responsible Authorities are:

- the relevant licensing authority and any other licensing authority in whose area part of the premises is situated;
- the chief officer of police;
- the local fire and rescue authority;
- the relevant enforcing authority under the Health and Safety at Work etc Act 1974;
- the local authority with responsibility for environmental health;
- the local planning authority;
- a body that represents those who are responsible for, or interested in, matters relating to the protection of children from harm;
- each local authority's Director of Public Health (DPH) in England
- the local weights and measures authority (trading standards); and
- Home Office Immigration Enforcement (on behalf of the Secretary of State).

4. Who are the main stakeholders in relation to the policy or

function?

Operators of licensed premises, Responsible Authorities, the public and the licensing authority are all stakeholders in the policy. The Policy is statutorily reviewed every 5 years. The policy review is widely consulted upon with all stakeholders.

5. What baseline quantitative data do you have about the policy or function relating to the different equality strands?

According to research undertaken by the Joseph Rowntree Foundation, (Ethnicity and alcohol; – A review of the literature Hurcombe, Bailey & Goodman. Joseph Rowntree Foundation 2010) overall, most minority ethnic groups have higher rates of abstinence, and lower levels of frequent drinking and heavy drinking compared with the British population as a whole and to people from white backgrounds. However, there is considerable variation between and within different minority ethnic group populations in their drinking behaviours and frequent and heavy drinking can occur in some communities. The controls provided by the reviewed policy will affect all equality strands equally

There are 389 premises licensed by the authority.

- 196 on/off/both Licensed premises
- 109 are licensed for off sales only.
- 16 premises hold Club premises certificates.
- 26 premises are licensed for Late Night Refreshment only
- 58 community premises which are licensed for entertainment only (no sale of alcohol).

6. What baseline qualitative data do you have about the policy or function relating to the different equality strands?

The Licensing policy references equality issues in paragraph 9.1:

Broxtowe Borough Council is committed to promoting equal opportunities, valuing diversity and tackling social exclusion. The Council will aim to provide opportunities that meet the diverse needs of different people and groups of people by ensuring that services and employment opportunities are accessible to all. Everyone will be treated fairly and with respect. Diverse needs will be understood and valued. The Council will aim to eradicate all forms of discrimination

The Licensing Authority working in partnership in particular with Nottinghamshire Police and their Licensing team follow a policy of early intervention when any issues arise.

Test purchasing for under age sales by Police and Trading Standards Officers has resulted in a limited number of fixed penalties being issued but no premises prosecuted for offences. Anecdotally there are few reports of under-age sales.

There are three Pubwatch schemes operating in the Borough supporting the aims and objectives of the policy.

There have been no reported issues relating to any of the equality strands.

The House of Lords Select Committee on the Licensing Act 2003 in 2017 concluded that:

“We do not recommend adding as a licensing objective “compliance with the Equality Act 2010” or “securing accessibility for disabled persons”.

7. What has stakeholder consultation, if carried out, revealed about the nature of the impact?

The Statement of Licensing Policy is reviewed and widely consulted upon every 5 years. This is a statutory function of the Licensing Authority. Consultees are identified in the Licensing Act 2003 and the consultation process includes a number of other interest parties:

- All Broxtowe Borough Councillors
- All Parish/Town Councils within the borough
- All Broxtowe Borough Council Heads of Service
- CAMRA
- Association of Convenience Stores
- Local MPs
- East Midland Ambulance Service
- Children and Adult Safeguarding Boards
- Licensing Solicitors
- Licensed Premises Operators
- Club Operators
- Nottinghamshire Police

Association of Licensed Multiple Retailers

Nottinghamshire Police
Principal Community Safety Officer
Nottinghamshire Fire & Rescue Service
Association of Town Centre Managers

NHS – Nottinghamshire County
All Pubwatches

There were five responses to the previous consultation in 2018, none of which related to any equality strands.

There will be a consultation on the 2019-24 policy review and full use will be made of the Council's website consultation process as well. Should any response from the current consultation indicate concerns, the matter will be reported to the Licensing and Appeals Committee for consideration and resolution.

The policy will remain under review throughout its lifetime and may be subject to early review if required.

8. From the evidence available does the policy or function affect or have the potential to affect different equality groups in different ways?

In assessing whether the policy or function adversely affects any particular group or presents an opportunity for promoting equality, consider the questions below in relation to each equality group:

- Does the policy or function target or exclude a specific equality group or community? Does it affect some equality groups or communities differently? If yes, can this be justified?**

The Council aims to ensure that services provided are relevant to the needs of all sections of the communities. The stated policies are not expected to adversely affect any of the protected equalities groups highlighted in this assessment. The Council is aware of the negative impact of alcohol on some specific groups

(children, those with mental health issues, particular ethnic groups), therefore in some cases the reviewed policy may have a positive effect.

The policy does not target or exclude any particular body. However, a number of issues of vulnerability and safeguarding are addressed in the statement.

Paragraph 7.14 and Section 8 identify matters in relation to safeguarding of children and other vulnerable persons.

Whilst licensees are able to ban persons from their premises. They are under a duty not to discriminate on grounds of equality.

The policy at 7.37 actively encourages diversity in the licensed economy.

The policy also outlines measures and limitations in respect of “adult entertainment”

- **Is the policy or function likely to be equally accessed by all equality groups or communities? If no, can this be justified?**

The revised policy will apply equally across all groups and communities in the borough.

- **Are there barriers that might make access difficult or stop different equality groups or communities accessing the policy or function?**

There are no barriers in respect of the policy being accessed and utilised by any equality group or community. The policy is available for all to use.

- **Could the policy or function promote or contribute to equality and good relations between different groups? If so, how?**

The implementation of the Licensing Act and the Statement of Licensing Policy engendered a close working relationship with all stakeholders across the County. Safeguarding and vulnerability issues have been and continue to be dealt with by the Nottinghamshire Authorities Licensing Group (NALG). Work is ongoing in respect of CSE and vulnerability issues at licensed premises.

- **What further evidence is needed to understand the impact on**

equality?

Should any evidence arise as a result of the comprehensive consultation process or indeed become apparent during the life of the statement, it will be considered and if necessary acted upon. There are no barriers to revisiting the statement and revising if necessary throughout the five-year period.

9. On the basis of the analysis above what actions, if any, will you need to take in respect of each of the equality strands?**Age:**

One of the licensing objectives is protection of children from harm. NALG will continue to work in partnership with Nottinghamshire Police and the County Safeguarding Boards to address the issues of CSE and vulnerability on Licensed premises.

The statement of policy supports these initiatives.
