

General Information

- a. This drawing is intended for reference purposes only and should not be used for construction without consulting the architect or a qualified professional.
- b. All dimensions are in millimeters unless otherwise specified.
- c. Drawings are subject to change, and revisions may occur. Check with the architect for the latest update.

Scale and Accuracy:

- a. The scale of this drawing is noted on the drawing. Verify all measurements on-site before construction.
- b. This drawing is based on the best available information at the time of creation. Verify accuracy independently.

Legal Disclaimers:

- a. The architect is not responsible for errors or omissions resulting from the use of outdated drawings.

Copyright and Ownership:

- a. This drawing is the intellectual property of TEQT Studio Ltd. Reproduction or distribution without permission is prohibited.
- b. Unauthorized use may result in legal action.

Regulatory Compliance:

- a. Compliance with local building codes, regulations, and standards is the responsibility of the contractor and other relevant parties.
- b. This drawing may not cover all regulatory requirements. Confirm with local authorities.

Materials and Specifications:

- a. The drawing provides a visual representation. Refer to specifications for details on materials, finishes, and construction methods.
- b. The architect is not responsible for discrepancies between the drawing and specifications.

Coordination with Other Disciplines:

- a. Coordination with structural, mechanical, electrical, and other relevant disciplines is essential. Discrepancies should be resolved before construction.

Special Instructions:

- a. Specific instructions or notes on this drawing take precedence over general information. Follow all special instructions carefully.

As-Built Drawings:

- a. As-built drawings must be updated throughout the construction process. The final set of drawings may differ from the issued set.

Contact Information:

- a. For inquiries or clarifications, contact TEQT Studio Ltd at hello@teqt.co.uk
