## **1.0 Introduction**

- 1.1 This report provides information on the monetary (and non-monetary) contributions sought and received from developers for the provision of infrastructure to support development in Broxtowe, and the subsequent use of those contributions by Broxtowe Borough Council. The report covers the financial year 1 April 2023 - 31 March 2024.
- 1.2 Broxtowe does not have a Community Infrastructure Levy and therefore seeks developer contributions through Section 106 agreements (also known as “planning obligations”). As part of the planning process Section 278 agreements are also entered into with developers and Nottinghamshire County Council to secure highway improvements. However, these are not included within this Infrastructure Funding Statement (IFS).

### **Planning Obligations**

- 1.3 Section 106 of the Town and Country Planning Act 1990 enables a local planning authority to enter into a negotiated agreement – a planning obligation – to mitigate the impact of a specific development, to make it acceptable in planning terms. The planning obligation might, for example, require the provision or contribution to a new or improved road, school, health facility or local green infrastructure. Local Planning Authorities can also seek planning obligations to secure a proportion of affordable housing from residential developments. In some instances, Section 106 planning obligations may require payments to be made to parish councils.

## **2.0 Section 106 (planning obligations) report**

2.1 The Council's policy in respect of developer contributions are set out in Policy 19 of the Broxtowe Aligned Core Strategy (2014) and Policy 32 of the Broxtowe Part 2 Local Plan (2019).

2.2 Policy 19 of the Broxtowe Aligned Core Strategy (2014) states:

- 1. All development will be expected to:**
  - a) meet the reasonable cost of new infrastructure required as a consequence of the proposal;**
  - b) where appropriate, contribute to the delivery of necessary infrastructure to enable the cumulative impacts of developments to be managed, including identified transport infrastructure requirements; and**
  - c) provide for the future maintenance of facilities provided as a result of the development.**
- 2. The Council intend to introduce Community Infrastructure Levies to secure infrastructure that has been identified as necessary to support new development and to achieve Core Strategies objectives.**
- 3. Prior to the implementation of a Community Infrastructure Levy, planning obligations will be sought to secure all new infrastructure necessary to support new development.**

2.3 Policy 32 of the Broxtowe Part 2 Local Plan (2019) states:

- 1. Financial contributions may be sought from developments of 10 or more dwellings or 1,000 square metres or more gross floor space for provision, improvement or maintenance, where relevant, of;**
  - a) Affordable housing;**
  - b) Health;**
  - c) Community facilities;**
  - d) Green Infrastructure Assets;**
  - e) Biodiversity;**
  - f) Education;**
  - g) Highways, including sustainable transport measures;**
  - h) Cycling, footpaths and public transport;**
  - i) The historic environment, heritage assets and/or their setting; and**
  - j) Flood mitigation measures, including SuDS.**
- 2. On-site provision of new playing pitches may be required for developments of 50 dwellings or more.**

- 2.4 In some instances certain developments may be unviable and in such cases it may be possible for S106 contributions to be negotiated. In such instances a Viability Assessment will be required to demonstrate why the scheme is unviable, and it will be usual practice for the Council to have this assessment independently reviewed at the cost of the applicant.
- 2.5 Nottinghamshire County Council are the Highways Authority and Education Authority for Broxtowe Borough Council. The County Council is therefore responsible for identifying required contributions in respect of primary and secondary education, and highways improvements, including improvements to the bus network. It is usual practice for S106 contributions requested by the County Council to be paid directly to the County Council by the developer.

3.3.2 The Council is required to report on the total amount of money, received through planning obligations (whenever agreed and money received), spent in 2023/24 on repaying money borrowed, including any interest. The Council reports that it does not use any money from planning obligations received to repay borrowing costs.

3.3.3 The Council is required to report on the total amount of money, received through planning obligations (whenever agreed and money received), spent in 2023/24 on monitoring in relation to the delivery of planning obligations. The Council reports that it does not use any money from planning obligations received to cover monitoring costs.

3.3.4 The Community Infrastructure Levy (Amendment)(England)(No.2) Regulations 2019 allows Local Authorities to charge a monitoring fee through Section 106 planning obligations, to cover the cost of the monitoring and reporting on delivery of that Section 106 obligation as described above. Monitoring fees can be used to monitor and report on any type of planning obligation, for the lifetime of that obligation. However, monitoring fees should not be sought retrospectively for historic agreements.

- 3.3.5 The Council's monitoring fees currently use a fixed 5% of financial contributions capped at £5,000. Monitoring fees can be reviewed, however in all cases, monitoring fees must be proportionate and reasonable and reflect the actual cost of monitoring. This will be reviewed in due course.

### 3.4 Section 106 receipts retained (allocated<sup>6</sup> and unallocated)

3.4.1 The total amount of money, received through planning obligations prior to 2023/24, *which had not been allocated* (to an infrastructure project or item) by the end of 2023/24:

<sup>6</sup> 'Allocated' means Section 106 sums retained by the reporting authority which have, or knowingly will be, passed to an internal team to fund a specific infrastructure project or infrastructure type. 'Allocated' also includes sums which will knowingly be passed to an external organisation but which are yet to be passed.
