LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. Implement a Staff Training Programme

All staff will be trained in licensing law, responsible alcohol service, age verification, conflict management, and emergency procedures. This promotes crime prevention, public safety, child protection, and reduces public nuisance by ensuring staff are confident, compliant, and proactive.

2. Operate a Challenge 25 Policy

We will strictly enforce age verification to prevent underage sales, with clear signage displayed throughout. This supports the protection of children, while also helping to prevent crime and disorder through compliance.

3. Install and Maintain CCTV

High-quality CCTV will be in place throughout the premises, including entry/exit points and high-risk areas. This deters and helps deal with incidents of crime, protects public safety, and ensures accountability — supporting all four licensing objectives.

4. Control Noise and Customer Dispersal

Continued from previous page...

We will implement a dispersal policy and place clear signage requesting that customers leave quietly. Sound systems will be fitted with noise limiters, and doors/windows will remain closed during music. These measures address public nuisance, crime prevention, and public safety.

5. Limit Access to Children

Children will only be allowed on the premises during appropriate hours and in designated areas. Staff will be vigilant in monitoring children's presence and behaviour, which promotes the protection of children and helps avoid incidents that could lead to public nuisance or safety risks.

6. Regular Risk Assessments and Equipment Maintenance

Fire, health and safety, and operational risk assessments will be carried out regularly, with fire safety and first aid equipment maintained and staff trained in emergency response. This ensures public safety and helps prevent incidents that could escalate into disorder or nuisance.

7. Use of Licensed Security Staff When Necessary

During busy periods, we will employ SIA-licensed door supervisors to monitor entry, manage queues, and handle any incidents. This promotes crime prevention, enhances public safety, and supports child protection by preventing underage entry.

8. Maintain a Refusals and Incident Log

We will record all refusals of alcohol sales and any incidents involving disorder, underage attempts, or nuisance behaviour. This creates transparency and shows proactive management of all four licensing objectives

b) The prevention of crime and disorder

Install CCTV throughout the premises covering entrances, exits, and key areas. Keep recordings for at least 28 days.

Use SIA-licensed door staff during busy periods or events.

Implement a zero-tolerance policy towards drugs and violence, with signage displayed.

Provide staff training on conflict resolution, identifying fake IDs, and dealing with aggressive behaviour.

Keep an incident log for all crime-related events and refusals to serve alcohol.

c) Public safety

Conduct regular fire risk assessments and ensure fire exits are clearly marked and unobstructed.

Maintain all emergency lighting, alarms, and fire-fighting equipment with regular servicing.

Train staff in first aid and emergency evacuation procedures.

Control capacity to prevent overcrowding using clickers or digital counters.

d) The prevention of public nuisance

Control noise levels with limiters on sound systems and by keeping windows/doors closed during music.

Display signage asking patrons to leave quietly and respect neighbours.

Have a dispersal policy to manage customers leaving late at night.

Continued from previous page...

Schedule waste collections at reasonable hours and manage bins to avoid smell or litter.

Monitor outdoor areas, including smoking zones, to ensure noise and behaviour are managed.

e) The protection of children from harm

Adopt a Challenge 25 policy and train staff to check ID.

Display clear signage at points of sale about age restrictions.

Refuse alcohol service to intoxicated adults accompanying children.

Restrict children's access to areas where alcohol is the primary activity.

Offer non-alcoholic options and child-friendly areas, if children are permitted on-site.

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
