The Premises is situated within a busy area of Beeston surrounded by other businesses including Arc cinema, supermarkets, food outlets and other licensed premises, with several residential properties in close proximity.

The premise have proposed later than expected times for the sale of alcohol, requesting the following:

Monday to Wednesday 0900 – 0000

Thursday to Saturday 0900 – 0200

Sunday 1000 - 0000

Police are of the opinion that the premises will add to the issues already associated with the area if the licence is granted. The issues in this area are often alcohol related and they result in higher than average levels of crime, disorder and nuisance. Many of the incidents involve anti-social behaviour from individuals who congregate in public areas, and main shopping areas. Crime levels show the high levels of alcohol-related anti-social behaviour and alcohol confiscations. Such behaviour causes nuisance to other persons using the area and residents can feel intimidated as can members of the public. These incidents are increasing from 2300 on Friday and Saturday evenings. The effects of another premises licensed for the sale of alcohol would create in this area is of great concern to the Police.

The police identified alcohol related anti-social behaviour and disorder as being the main issues in this area which is having a negative impact on the quality of life for local residents and shoppers.

The police have no alternative other than to raise an outright objection to this application.

The police are also of the opinion that by refusing the application the Licensing Authority would satisfy their duty under the Crime and Disorder Act 1998.

The police reserve the right to bring further evidence of the Licensing Objectives being undermined to any subsequent panel hearing and to provide live oral evidence to this effect and therefore would respectfully request any hearing is a closed hearing.

The Police reserve the right to:

- Bring further evidence of the Licensing Objectives being undermined to any subsequent panel hearing and to provide live oral evidence to this effect.
5. If you are suggesting that conditions should be attached to any licence granted, please give the wording of the proposed condition(s) and state why you feel they are necessary and proportionate. Please continue a separate sheet if necessary.

The police do not feel the information submitted within the operating schedule can alleviate concerns in relation to the additional sale of alcohol within the geographical area at the times requested, and therefore are of the opinions that suitable safeguards would not be in place to prevent crime and disorder from

taking place. As such, the police request an outright objection to the grant of this application.

6. Please indicate any parts of the Licensing Authority's Statement of Policy that you feel may be relevant to your representation <sup>3</sup>.

**Broxtowe Borough Council's Statement of Licensing policy (January 2024 – 2029) states at 2.1 in exercising their functions under the licensing act 2003, licensing authorities must have regard to the licensing objectives as set out in section 4 of the act.**

**Broxtowe Borough Council's Statement of Licensing policy also states at 2.6 the promotion of the licensing objectives is paramount consideration for the authority.**

7. Please indicate any parts of the Guidance issued under S 182 of the licensing Act 2003, which you feel may be relevant to your representation <sup>4</sup>.

**Indication of those relevant parts will be given prior to a Panel Hearing.**

**Section 18 of 21**

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

**1. Implement a Staff Training Programme**

All staff will be trained in licensing law, responsible alcohol service, age verification, conflict management, and emergency procedures. This promotes crime prevention, public safety, child protection, and reduces public nuisance by ensuring staff are confident, compliant, and proactive.

**2. Operate a Challenge 25 Policy**

We will strictly enforce age verification to prevent underage sales, with clear signage displayed throughout. This supports the protection of children, while also helping to prevent crime and disorder through compliance.

**3. Install and Maintain CCTV**

High-quality CCTV will be in place throughout the premises, including entry/exit points and high-risk areas. This deters and helps deal with incidents of crime, protects public safety, and ensures accountability — supporting all four licensing objectives.

**4. Control Noise and Customer Dispersal**

*Continued from previous page...*

We will implement a dispersal policy and place clear signage requesting that customers leave quietly. Sound systems will be fitted with noise limiters, and doors/windows will remain closed during music. These measures address public nuisance, crime prevention, and public safety.

**5. Limit Access to Children**

Children will only be allowed on the premises during appropriate hours and in designated areas. Staff will be vigilant in monitoring children's presence and behaviour, which promotes the protection of children and helps avoid incidents that could lead to public nuisance or safety risks.

**6. Regular Risk Assessments and Equipment Maintenance**

Fire, health and safety, and operational risk assessments will be carried out regularly, with fire safety and first aid equipment maintained and staff trained in emergency response. This ensures public safety and helps prevent incidents that could escalate into disorder or nuisance.

**7. Use of Licensed Security Staff When Necessary**

During busy periods, we will employ SIA-licensed door supervisors to monitor entry, manage queues, and handle any incidents. This promotes crime prevention, enhances public safety, and supports child protection by preventing underage entry.

**8. Maintain a Refusals and Incident Log**

We will record all refusals of alcohol sales and any incidents involving disorder, underage attempts, or nuisance behaviour. This creates transparency and shows proactive management of all four licensing objectives

**b) The prevention of crime and disorder**

Install CCTV throughout the premises covering entrances, exits, and key areas. Keep recordings for at least 28 days.

Use SIA-licensed door staff during busy periods or events.

Implement a zero-tolerance policy towards drugs and violence, with signage displayed.

Provide staff training on conflict resolution, identifying fake IDs, and dealing with aggressive behaviour.

Keep an incident log for all crime-related events and refusals to serve alcohol.

**c) Public safety**

Conduct regular fire risk assessments and ensure fire exits are clearly marked and unobstructed.

Maintain all emergency lighting, alarms, and fire-fighting equipment with regular servicing.

Train staff in first aid and emergency evacuation procedures.

Control capacity to prevent overcrowding using clickers or digital counters.

**d) The prevention of public nuisance**

Control noise levels with limiters on sound systems and by keeping windows/doors closed during music.

Display signage asking patrons to leave quietly and respect neighbours.

Have a dispersal policy to manage customers leaving late at night.

*Continued from previous page...*

Schedule waste collections at reasonable hours and manage bins to avoid smell or litter.

Monitor outdoor areas, including smoking zones, to ensure noise and behaviour are managed.

e) The protection of children from harm

Adopt a Challenge 25 policy and train staff to check ID.

Display clear signage at points of sale about age restrictions.

Refuse alcohol service to intoxicated adults accompanying children.

Restrict children's access to areas where alcohol is the primary activity.

Offer non-alcoholic options and child-friendly areas, if children are permitted on-site.

**Section 19 of 21**

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

## WITNESS STATEMENT

( Criminal Procedure Rules, r. 16.2; Criminal Justice Act 1967, s. 9 )

Statement of: Catherine Ansty

Occupation: Senior Licensing Officer

This statement (consisting of four (4) pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything which I know to be false or do not believe to be true.

*(supply witness details on rear)*

1. I am the County Senior Licensing Officer for Nottinghamshire Police and I am based at Mansfield Police Station. My role is to monitor licensing applications, incidents occurring in licensed premises, manage the day to day operations of the County Licensing team, and liaise with partner agencies to reduce alcohol related violence and disorder incidents within licensed premises and ensure the licensing objectives are promoted at all times.
2. I make this statement in respect of an application for a premise licence to be granted applied for by Kelly CARTER under C & B Brew Co LTD. Hollie BEECROFT is also listed as a director of C & B Brew Co on Companies House. The application is made in respect of Unit 4 The Square, Beeston, Nottinghamshire, NG9 2WJ with Katie CARTER listed as the proposed Designated Premises Supervisor (DPS).
3. The application was received on 22<sup>nd</sup> April 2025. I read through the application with particular focus on the proposed licensable activities and the information provided within the operating schedule. Despite the applicants offering measures within the operating schedule, I needed to have a greater understanding of any issues currently arising within that geographical area.
4. I used our sanitised incident reporting system, Innkeeper, to view incidents for a 12 month period from May 2024 – May 2025. From this I could see a total of 125 incidents recorded for the beat area covering Beeston Town Centre. I have narrowed down this search to a total of 91 incidents that are in the area surrounding Unit 4 The Square. The incidents provided relate to anti social behaviour and theft of alcohol all

within a similar time to the proposed licensable activities as per the application for C & B Brew Co. I am able to produce this to you as an overview titled CEA01.

5. Nottinghamshire Police are of the opinion that the premises will add to the issues already associated within the area if the licence is granted. The issues in this area are often alcohol related and they result in levels of crime, disorder and nuisance. Such behaviour causes nuisance to other persons using the area and residents can feel intimidated as can members of the public, including children. The effects of another premises licensed for the sale of alcohol would create in this area is of great concern to the Police. The granting of the application would therefore undermine the Prevention of Crime and Disorder licensing objective.

6. I also include a map of the area as CEA02, and a list of licensed premises which are included within Beeston Town Centre as CEA03

7. A craft ale and gourmet chicken restaurant styled premises would not normally cause the police concern. However, the location of this particular premises do. Hence, for the reasons given above, the police have no alternative other than to raise an outright objection to this application.
