

Report of the Portfolio Holder for Resources and Personnel Policy**Housing Benefit - War Disregard****1. Purpose of Report**

To seek approval for the continuation of the War Pension Disregard in respect of Housing Benefit claims in 2026/27. This is in accordance with the Council value of having a strong, caring focus on the needs of all communities.

2. Recommendation

Cabinet is asked to RESOLVE that the continuation of the current Local Scheme Disregarding War Pensions for Housing Benefit Applications in 2026/27 be approved.

3. Detail

The Housing Benefit and Council Tax Benefit (War Pensions Disregards) regulations 2007 allow for Local Authorities to develop a local scheme that can disregard War Pension income from the calculation of Housing Benefit.

Since the introduction of Housing Benefit, the Council has always disregarded this income when calculating a claim for Housing Benefit. The Department for Works and Pensions has recently requested that each local authority has their local scheme approved each year.

The local scheme is discretionary and, as a result, the Council is expected to meet the cost. However, under the Housing Benefit subsidy arrangements, the government reimburses the Council 75% of the expenditure where a local scheme is implemented.

4. Key Decision

This report is a key decision as defined under Regulation 8 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 in terms of its effects on communities living or working in an area comprising two or more Wards or electoral divisions in the Council's area.
