60 UPDATE REPORT – ENVIRONMENTAL ENFORCEMENT

Members considered a report on the performance of the council's contractor WISE in issuing Fixed Penalty Notices (FPNs) to help mitigate littering and fly-tipping. Members noted the preponderance of fly-tipping cases in Awsworth, Cossall and Trowell, touching on the number of cases at Trowell Service Station. It was noted that there could be more attention in town centres, and officers spoke of work to be done in educating members of the public who hire tradespeople.

Members were encouraged to report cases of fly-tipping to officers to aid enforcement. It was confirmed that officers had reviewed bodycam footage in cases of alleged aggressive behaviour by enforcement officers and can state that this has not occurred in the cases reviewed. The Committee noted the report.

61 UPDATE: EQUALITY, DIVERSITY AND INCLUSION IN COUNCIL PARKS

Members considered a report detailing progress made in improving accessibility and inclusivity in council parks. A member noted one small clarification to be made in the papers.

Members made various comments for officers to consider, such as regarding choices of material, the order of planned works, and queries relating to specific sites. Members commended the work already completed in improving accessibility to parks across the borough. Members welcomed another update in 12 months' time. The Committee noted the report.

62 UPDATE ON REVIEW OF THE D.H. LAWRENCE BIRTHPLACE MUSEUM

Officers presented a report that updated on the status of the museum after its transfer back into Council control in 2023. The Committee noted the report.

Members considered a report updating members on progress made against recommendations from this Committee on improving accessibility at the museum.

Reaching out to other museums that face similar challenges was suggested.

64 ANTISOCIAL BEHAVIOUR PROCEDURE

The report before the committee detailed the recent recommendation of the Governance, Assurance and Standards Committee that this Committee consider whether it should review the Council's Antisocial Behaviour (ASB) procedures.

It was noted in the discussion that different council departments have different ASB procedures as they are not all governed by the same legislation. The Committee noted the report.

RESOLVED that the Committee would add an item on the Housing department's antisocial behaviour policies and procedures to its work programme.

65 CABINET WORK PROGRAMME

The Committee noted the Cabinet Work Programme.

66 WORK PROGRAMME

The Committee considered the Work Programme, noting previous additions, and considered future scrutiny of Houses of Multiple Occupancy (HMOs) within the borough, as long as this would not duplicate the work of Cabinet.

RESOLVED that:

1. **The Overview and Scrutiny Work Programme, as amended, be approved.**
2. **The next meeting of the Overview and Scrutiny Committee be brought forward to the 20th November 2025, to allow for scrutiny of the council's final submission to government on Local Government Reorganisation (LGR).**
