The minutes of the meeting held on 22 May 2019 were approved as a correct record and signed.

## 11 **NOTIFICATION OF LOBBYING**

The Committee received notifications of lobbying in respect of the planning applications subject to consideration at the meeting.

## 12 **DEVELOPMENT CONTROL**

### 12.1 **19/00243/FUL**

Change of use from equestrian to mixed use equestrian and the keeping of fully licenced wild cats and retain the secure enclosure required for their safe keeping Land North of Home Farm Cottage and Park View Cottage, Main Street, Strelley, Nottinghamshire

The application had been called before the Committee by Councillor D K Watts.

A number of late items had been submitted for the Committee to consider alongside the proposed development including a letter from the Born Free Foundation stating that they would be willing to offer lifetime care to the lion cubs, a letter withdrawing objections regarding the closeness of the bridle path, 22 letters of support for the application, a petition of support for the application bearing 130 signatures and five letters of support from zookeepers and vets.

Mr Reece Oliver, the applicant, Mrs Rosemary Walker, objecting and Councillor P D Simpson, Ward Member, made representation to the Committee prior to the general debate.

The Committee considered concerns for public safety posed by the keeping of wild animals in a village setting, that support for the application did not come from Strelley Village and that the development was inappropriate in the Green Belt. It was also noted that a number of organisations had come forward to offer assistance in rehoming the wild cats. There was concern that other animals would be taken in if a precedent was set.

Debate moved on to the nature of the very special circumstances put forward by the applicant, which were that should planning permission be refused, the wild cats would be destroyed because the options for rehoming them would be limited. It was noted that the impact on amenity was limited as the fence that had been erected was shielded from view by a mature hedge and that it could not be seen from the bridle path, limiting the impact of the enclosure on the openness of the Green Belt. It was noted that the application had been submitted with a draft unilateral undertaking, which would limit the permission to the three wildcats already at the property for the period of their lifetime.

**RESOLVED that planning permission be granted with the precise wording of the permission and conditions, including one referring to the unilateral undertaking, to be delegated to the Head of Legal Services and the Head of Neighbourhoods and Prosperity, following consultation with the Chair of the Planning Committee.**

## 12.2 18/00700/FUL

Construct two semi-detached dwellings and construct dormers, rear extension and roof alterations to existing bungalow and raise ridge height  
4 The Home Croft, Bramcote, Nottinghamshire, NG9 3DQ

The application had been called for consideration by the Committee by Councillor M E Plackett, whilst he was in office.

The late items included three corrections to the report and one letter in support of the application.

Mr Richard Hutchinson, the applicant and Mr Christian Kerry, objecting, made representation to the Committee prior to the general debate.

The debate included consideration of the provision of high quality, family homes, the picturesque setting and that the Bramcote Conservation Society had not raised any

issues. A discussion followed regarding the design of the houses and the limited number of parking spaces provided at the proposed development.
