

Appendix 1

Grant Aid Applications from Parish and Town Councils**1. Kimberley Town Council**

Kimberley Town Council has requested a grant of up to £2,773 to support the return of the Kimberley Food Festival in July this year. This would be to cover the cost of the traffic management, crowd management and first aid provision for the event and represents 41% of the total anticipated cost of the festival (£6,777).

The Kimberley Food Festival was previously pioneered by a local resident in 2022, with support from Broxtowe Borough Council, and was designed to give a much-needed boost to Kimberley town centre after the COVID-19 pandemic. Kimberley Town Council states that the festival “was a huge success and boosted local businesses tremendously. There was a huge cry for it to return.”

The Festival resumed in 2025, and Kimberley Town Council is delighted that the Festival can continue this year and would be grateful for the support of this Council to assist in covering some of the costs associated with this event.

Broxtowe Borough Council provided a grant of £1,919 in 2025/26 for the 2025 Festival to assist with the cost of traffic management and first aid provision.

Such a request is in line with the Protocol for the Consideration of Grant Aid requests from Parish and Town Councils for the following key reasons:

- Though the award would be for a revenue grant (rather than for a specific capital project), events such as a Food Festival complement the services provided by Broxtowe Borough Council.
- The provision of events such as a Food Festival contributes towards community cohesion, helps to combat social exclusion and loneliness and assists with the development of Town Centres.

Financial Information

The closing balance of Kimberley Town Council available funds, as at 31 March 2025, was £528,025 (2024: £555,460), with cash reserves of £553,016 (2024: £583,304), the difference between reserves and cash balances being net creditors and debtors. The Kimberley Town Council annual precept for 2026/27 is £151,515 (2025/26: £146,995), an effective uplift of 2.0%.

2. Nuthall Parish Council

Nuthall Parish Council has submitted a grant aid request for up to £8,535 to replace the children’s slide at Basil Russell Park which has had to be removed following an inspection revealed that its being unsafe for continued use. This removal, while necessary, has created a noticeable gap in the play provision relied upon by local families.

Nuthall Parish Council is committed to maintaining high-quality, safe, and inclusive play facilities for the community and believes that a replacement slide will restore an important play feature, supporting children's physical activity, social interaction, and overall wellbeing and ensure that Basil Russell Park continues to serve as a vibrant, welcoming, and safe space for children and families in Nuthall.

Such a request is in line with the Protocol for the Consideration of Grant Aid requests from Parish and Town Councils for the following key reasons:

- The request is for a capital project which is intended to bring long-term benefits to residents within the Borough.
- The provision of play equipment of this type within parks encourages healthier lifestyles for both children and their parents and provides opportunities for the same to socialise and thereby increase community cohesion.

Financial Information

The closing balance of Nuthall Parish Council funds as at 31 March 2025 was £235,493 (2024: £155,371), with cash reserves of £240,315 (2024: £212,018), the difference between reserves and cash balances being net creditors and debtors. The Nuthall Parish Council annual precept for 2026/27 is £124,610 (2025/26: £123,191), an effective change of 0.0%.

Appendix 2

Protocol for Consideration of Grant Aid to Parish and Town Councils

The key provisions of the Protocol for the Consideration of Grant Aid requests from Parish and Town Councils are:

1. Grant aid will only be given in support of specific projects or services and not as a general grant towards the services provided by a parish/town council.
2. Revenue grant aid will only be considered towards services which act as a replacement for services which otherwise Broxtowe Borough Council would have to provide or which supplement services which the borough council provides so as to reduce the costs that Broxtowe would otherwise incur.
3. In applying for grant assistance the parish/town council will need to demonstrate how the service or project in question contributes to Broxtowe's aims and objectives as laid out in the Corporate Plan and the Sustainable Community Strategy.
4. In applying for grant aid assistance the parish/town council will need to provide evidence as to why they do not have the financial resources to provide the services or project in question and what the consequences would be for local residents and businesses if the service was withdrawn or the project not completed. This will include a requirement for the parish/town council to detail what other funding sources they have secured (or otherwise) and to provide a statement as to any reserves held and their planned use.
5. Preference will be given to support for the provision of mandatory services as compared with discretionary services.
6. Where grant aid is to cover the cost of a specified service, the parish/town council will be responsible at its own cost for providing an audited statement within six months of the end of the financial year concerned to confirm the amount of expenditure incurred and income received against which grant aid may be payable. Any grant payable would then be adjusted retrospectively if necessary following receipt of such an audited statement.
7. Grant aid will only be in respect of additional costs directly incurred by the parish/town council and will not cover the cost of any general overheads which the parish/town council would otherwise incur anyway as a result of their operations.
8. Grant aid will be cash limited in each year and the responsibility for costs increasing beyond the cash limit will normally rest with the parish/town council. Where such cost increases are considered to be unavoidable and beyond the parish/town council's control, then Broxtowe may be approached to seek a further grant award.

9. Where the parish/town council wishes to vary the service provided for which grant aid has been awarded, this should only take place after full consultation and with the agreement of Broxtowe.
10. Preference will be given towards one off capital projects rather than as a regular annual contribution towards the ongoing costs of providing services.
11. The parish/town council shall be required to provide such information as Broxtowe may reasonably request as to the actual outputs and outcomes arising from any service or project where Broxtowe makes a contribution.
12. Any grant contribution that may be awarded by Broxtowe need not be at the rate of 100% of net expenditure incurred but may be at a lesser rate to reflect such as its own corporate priorities, budgetary constraints or the availability of similar services or projects elsewhere.
13. Revenue grants will normally only be awarded for one year although an indicative amount for the following year may be given at Broxtowe's discretion. Capital grant aid will be towards the cost of a specific one-off project.
14. Requests for grant aid in respect of a particular financial year should normally be submitted by the end of October of the preceding year at the latest to assist with forward budget planning for both Broxtowe and the parish/town council. Broxtowe will endeavour to make a decision on such requests by the end of December in the year preceding that for which grant aid is requested.

Appendix 3

Grant Aid Awards to Parish and Town Councils

The table below lists the grants awarded under this scheme since 2022/23.

Date	Council	Amount	Purpose
19/07/22	Awsworth Parish Council	£500	Platinum Jubilee Celebrations
