

## Report of the Chief Executive

**ANTI-SOCIAL BEHAVIOUR CASE REVIEW (COMMUNITY TRIGGER)  
POLICY & PROCEDURE**1. Purpose of report

To request approval of an updated policy in respect of Anti-Social Behaviour (ASB) case reviews requested under the provisions of the Anti-Social Behaviour, Crime and Policing Act 2014.

2. Detail

Part 6 of the Anti-Social Behaviour, Crime and Policing Act 2014 came into force on 13 May 2014. The Act contains provisions which give victims of persistent ASB the ability to demand a formal case review where the locally defined threshold is met. In Broxtowe, this has been set at the statutory maximum of three qualifying complaints of ASB in a six month period. For the purposes of the Community Trigger procedures, a qualifying complaint is:

- where the ASB was reported within one month of the alleged behaviour taking place; and
- the application to use the ASB Case Review/Community Trigger is made within six months of the report of anti- social behaviour.

Where this is the case, a case review will be undertaken by the relevant bodies (local councils, police, Clinical Commissioning Groups, and registered providers of social housing who are co-opted into this group, which has been undertaken in Broxtowe).

They will share information related to the case, review what action has previously been taken and decide whether additional actions are possible. The review will see the relevant bodies adopting a problem-solving approach to ensure that all the drivers and causes of the behaviour are identified and a solution sought, whilst ensuring that the victim receives appropriate support. The victim is informed of the outcome of the review. Where further actions are necessary an action plan will be created, including timescales.

The reviewed policy is shown in the appendix.

**Recommendation**

**The Committee is asked to RESOLVE that the Anti-Social Behaviour Case Review Policy be approved.**
