

Report of the Chief Executive

UPDATE ON KEY SITES

1. Purpose of report

To update members of the Committee on the progress of development sites across the Borough.

2. Background

In order to try and meet the housing targets within the Aligned Core Strategy housing delivery needs to increase. The Regeneration Manager has met with various landowners and developers in order to try to facilitate development on various sites across Broxtowe and the details of these investigations are included in the appendix.

3. Financial implications

Development on Council-owned land could lead to financial returns in the future.

<u>Recommendation</u>

The Committee is asked to NOTE the report.
