

BROXTOWE BOROUGH COUNCIL MODERN SLAVERY AND HUMAN TRAFFICKING STATEMENT 2019-20

1. Introduction

- 1.1 Broxtowe Borough Council (the Council) is committed to preventing slavery and human trafficking in the delivery of its services and corporate activities. The Council recognises that slavery and human trafficking remain a hidden blight on our society, that it has a responsibility to be alert to the risks and to strive to ensure that its supply chains are free from slavery and human trafficking.
- 1.2 This Modern Slavery and Human Trafficking Statement details the steps the Council has taken to understand potential modern slavery risks related to its business and to put in place measures that are aimed at ensuring that these offences are not committed in its own business or its supply chains.
- 1.3 This Statement relates to activity carried out during the financial year ending 31 March 2020. The Council will be reviewing the Statement on an annual basis and a new updated Statement, acknowledging any further actions that may have been taken, will be published in each subsequent year.

2. The Modern Slavery Act 2015

- 2.1 The Modern Slavery Act 2015 (the Act) consolidates various offences relating to human trafficking and slavery. Broadly speaking:
- 'slavery' is where ownership is exercised over a person;
 - 'servitude' involves coercion to oblige a person to provide services;
 - 'forced and compulsory labour' is where a person works or provides services on a non-voluntary basis under the threat of a penalty;
 - 'human trafficking' involves arranging or facilitating the travel of a person with a view to exploiting them.
- 2.2 Section 52 of the Act imposes a duty on public authorities, including district councils, to notify the Secretary of State of suspected victims of slavery or human trafficking.
- 2.3 Section 54 of the Act imposes a legal duty on commercial organisations, which supply goods and/or services from or to the UK and have a global turnover of more than £36 million, to publish a slavery and human trafficking statement each financial year.

2.4 The Council engages in commercial activities by providing services (some of which are statutory and some discretionary) and its annual turnover is greater than the specified £36 million. Whilst the Act does not state that local authorities specifically are included in those organisations legally required to publish a statement, the Council has chosen to do so as a matter of good practice. The Council is keen to raise awareness of slavery and human trafficking and as a large scale local employer and provider of services, it is seen as imperative that the Council makes its position of zero tolerance in respect of slavery and trafficking clear and unequivocal.

3. Standards

3.1 The Council will meet the following standards and also expects those with whom it does business, to meet them:

- To support every individual's human right to live free from abuse, servitude and inhumane treatment;
- To promote ethical business and operational practices in corporate activity and services delivered;
- To take appropriate steps to ensure that slavery and human trafficking is not taking part in any of its business or supply chains;
- To take reports of witnessed, suspected or disclosed concerns of slavery and human trafficking seriously and ensure that such reports are shared with appropriate law enforcement and other partner agencies in order that they can be fully investigated;
- To take appropriate action to address actual instances of slavery and human trafficking brought to the Council's attention and to take all reasonable steps to support and protect its victims.

4. Organisational structure

4.1 The Council is a second tier local authority situated in the county of Nottinghamshire. The Council provides a wide range of statutory and discretionary services delivered both directly by itself, and through partnership working with other agencies and commissioned work with external contractors.

4.2 The Council's Constitution and details of the structure are both available on the Council's website <https://www.broxtowe.gov.uk/>

5. Supply chains

5.1 As part of its procurement processes, the Council will require that all suppliers of goods and services comply with all applicable laws, statutes, regulations and codes including the Modern Slavery Act 2015. Suppliers will also be expected to publish a Slavery and Human Trafficking Statement (where applicable). Contract terms and conditions will set out the requirements of suppliers and sub-contractors in relation to ensuring there is no slavery or human trafficking in their businesses.

5.2 The Council will also require its suppliers and sub-contractors engaged in 'regulated activity' for children and adults at risk to have safeguarding policies, procedures and training in place and to comply with the reporting procedures in the Council's Adult and Children's Safeguarding Policies.

6. Policies and Plans

6.1 Broxtowe Borough Council has a range of policies and plans in place that reflect its commitment to acting ethically and with integrity to prevent slavery and human trafficking in its operations. These include:

6.2 Council's Corporate Plan – a key corporate priority is that “Broxtowe will be a safe place for everyone.”

In working towards this aim, the Council is working, individually and with partner agencies, to reduce crime and anti-social behaviour; using statutory powers to improve public safety, for example, enforcement of licensing requirements; raising awareness of services available; and encouraging victims to report incidents to access the support they need. A new Corporate Plan 2020-24 has been approved.

6.3 Safeguarding Policies – The Council's Safeguarding Adults and Safeguarding Children policies set out the steps the Council is taking to safeguard and protect the welfare of children and adults at risk who come into contact with its services and activities. The policies include the Council's responsibilities in respect of modern slavery and human trafficking and its legal obligation to notify the Home Office of suspected victims of these offences. The Council recognises that Nottinghamshire County Council is the lead agency in the borough with regard to the protection of children and adults at risk. However, Broxtowe Borough Council has a statutory duty to work in partnership with these agencies to identify, refer and respond to suspected abuse and to provide additional support.

6.4 Whistleblowing Policy – The Council encourages all its employees, councillors, contractors, their agents and/or subcontractors, consultants, suppliers and service providers to report concerns about any aspect of service provision, conduct of officers and others acting on behalf of the Council. The Whistleblowing Policy is intended to make it easier to disclose information without fear of discrimination and victimisation. This policy was refreshed in September 2019.

6.5 Code of Conduct – The Council makes clear to all its employees that there are expected standards of behaviour to which they must adhere when they are representing and acting on behalf of the Council. Employee conduct and behaviour that fails to meet these standards is fully investigated and appropriate action taken. This was refreshed in September 2019.

6.6 Recruitment and Selection Procedures Policy – This sets out procedures followed to vet new employees to ensure that confirmation of their identities and qualifications is obtained. To comply with the Immigration, Asylum and Nationality Act 2006, prospective employees are asked to supply evidence of their eligibility

to work in the United Kingdom. References are sought and followed up for all employees and relevant checks, for example Disclosure and Barring Service (DBS) checks, are carried out where relevant to the position.

6.7 Money Laundering Prevention Policy – This sets out the Council’s commitment to the prevention, detection and reporting of money laundering.

6.8 Commissioning and Procurement Strategy – This strategy sets out the strategic aims and principles of procurement activity, including the principles that the Council follows in the acquisition of goods, works and services from suppliers. It was refreshed in July 2019.

6.9 Equality and Diversity Policy – This policy provides a framework for the Council’s approach to the wide ranging equality and diversity agenda.

7. Due diligence

7.1 The Council’s approach to procurement requires suppliers of goods and services to implement due diligence procedures in relation to slavery and human trafficking with their own suppliers, sub-contractors and other participants in their supply chain. For organisations with a turnover below £36 million, suppliers will be asked to confirm their acceptance of this Modern Slavery and Human Trafficking Statement. The Procurement Team are also working to establish a protocol for establishing Modern Slavery and Human Trafficking checks as part of the new contract management framework.

7.2 As part of the Council’s commitment to identify and mitigate risk, Council departments work together and alongside partner agencies to:

- Identify and assess potential risk areas in its business affairs;
- Mitigate the risk of slavery and human trafficking through robust checks and balances;
- Monitor and review any potential risk areas identified;
- Protect whistleblowers.

8. Training

8.1 The Council has made considerable efforts to ensure that initiatives to raise awareness of slavery and human trafficking, and services available to assist victims have been prioritised. Over the last two years, the Council has provided training for its staff. The online e-learning module “Protecting You and Your Community” contains mandatory sections on Modern Slavery as well as Serious Organised Crime and Child Sexual Exploitation. The purpose of the training has been to enable employees to better identify and know how to report, suspected or disclosed incidents of abuse and neglect, including situations involving slavery and trafficking.

9. Targeted activity

9.1 The Council has a strong history of working in partnership with other local authorities, both at county and district level, partner agencies, local charities and community groups including Nottinghamshire's Serious Organised Crime Group. The Council's Public Protection Division contains the operational teams delivering activity locally both in respect of responding to issues reported on a daily basis and creating and coordinating medium and longer-term projects that aim to reduce crime and improve public safety, gathering intelligence and disrupting activity where appropriate.

9.2 In support of its corporate objectives, the Council facilitates and leads the Broxtowe Complex Cases Panel. This has a very broad membership and its key priority is to ensure that all agencies are working together to share intelligence, help identify adults at risk and agree actions that can be taken to provide tailored support. Where this panel identifies potential abuse or slavery, the necessary enforcement agencies are informed and referrals made to local and national support agencies.

10. Monitoring our effectiveness

10.1 The Council will use the following steps to regularly review and monitor the measures being implemented to address slavery and human trafficking and to safeguard against such activity in any part of its business or supply chains:

- i) Record the number of employees provided with training on modern slavery and human trafficking;
- ii) Carry out periodic reviews to identify any deficiencies within our policies and practices and take appropriate action to rectify these to strengthen our ability to address slavery and human trafficking;
- iii) Carry out periodic internal audits to ensure compliance with the policy
